P.I.E. Drops Plans For Orinda Building

Grand Jury Calls Five For Hearing

The Contra Costa County Grand Jury has subpoenaed five persons to appear Thursday at 10 a.m. in regard to charges of "kickback and pocketing" county funds in the County Records office.

Called to appear were Jack B. Haule, intermediate clerk who resigned April 19 after the charges were made; Ralph Cunningham, county recorder; James Todesco, senior clerk, who stated he was kicking back $12 a month to Haule. Howard McNamer, county auditor, and Hoyt Hayden, assistant county recorder.

ALL WERE SERVED papers Tuesday.

Contra Costa County Recorder's office has been under investigation since April 18 when a shortage was found in the accounts of Clerk Jack B. Haule. In addition, salary kickbacks to Haule by James Todesco, a senior clerk in the office, were disclosed.

April 18 a Walnut Creek resident went to the recorder's office to obtain a duplicate copy of a birth certificate. He paid $1 to Haule and received the certificate.

LATER IN THE SAME DAY the Sheriff's department learned the person had not received a receipt and that he informed the county that Haule had put the money in his pocket.

The sheriff's office called County Auditor Howard McNamer and McNamer called the district attorney's office.

Further check by the sheriff's office showed there were other payments for duplicate birth certificates which were not entered in the fee book.

Next, it was learned that Todesco had been paying $12 a month to Haule since Haule had given up his seniority to Todesco so that Todesco could take over the chief clerk's job in the recorder's office. This was Recorder Ralph Cunningham's explanation of the transactions.

HAULE RESIGNED April 19 on grounds of ill health.

Cunningham denied knowledge of the kickbacks or the missing funds but stated that when one person gets a promotion or someone else gives up his seniority, it has been a common practice in county government to pay that person part of the salary increase.

Todesco, in return for Haule's favor in giving up his seniority rights, kicked back $12 a month, Cunningham explained.

Under Section 1195 of the Government Code, salary kickbacks are a felony offense.

APRIL 22 THE grand jury met to investigate the charges of kickbacks and pocketing of county funds. The grand jury ordered the grand jury auditor and audit committee to study the records of the recorder's office.

The district attorney was instructed April 23 by the Contra Costa County Board of Supervisors to keep a watchful eye on the entire situation.

April 30 the district attorney reported to the board that he was only interested in the criminal aspects of the case and that the grand jury was conducting a study. District Attorney Francis Collins at that time did not indicate that any criminal prosecution was being considered.

The same day, Sheriff Harry Brown issued an appeal to all residents who have had dealings with the recorder's office in matters of duplicate birth, marriage or death certifiactes to notify his department at once so that a study could be made.

Weather Is Back From Vacation!

Did you miss us last week?

We missed you . . . by about eight galleys.

We felt rather derelict in not reporting the weather to you good souls of unincorporated Orinda.

For a moment this week we considered printing last week's weather report along with this week's readings.

The moment was obviously a week one and a brisk cup of tea laced with a nip of calomel, brought us back to reality.

For the benefit of stay-at-homes, the weather has been nice.

The man tells me .45 inches of rain fell last week, bringing the season total to 23.33.

Reporters Object To Secret Meets, D.A. Backs Them

At the request of the District Attorney and after protest from the county press corps, two of three scheduled luncheon meetings of the Contra Costa County Board of Supervisors were called off Tuesday in Martinez.

The district attorney made his decision following a letter of protest submitted by reporters of the five daily papers.

THE PAPERS represented were the Contra Costa Gazette, Oakland Tribune, Independent, Transcript and Antioch Ledger.

In the letter the newsmen stated:

"We feel these topics are of such importance to the public that they should be discussed by your board in a public place, accessible to the public and the press and at such times normal for the discussion of public business," the letter stated.

In explaining their stand, the newsmen added that even though the press has been invited to attend the luncheons, the meetings would not be truly public.

Furthermore, the reporters warned, the supervisors would be placing themselves in a questionable position by such gatherings with "pressure groups," in other than full open session.

THE LETTER was submitted by Elwyn Lufkin, John Sheenan, Jeff Greer, Carl Hohnson and George Arthinal.

Following the letter Collins stated that it would not be in the best interest of the public if the board ings.

The board agreed to meet in a more public place than over a luncheon table.

After the action by the board concelling the meetings, the press corps wrote a letter of praise to the board on its action.

Library Board Gets Proposals From Architects

The Orinda Library Building Fund annuonced today that a number of proposals had been received from architects. They are now being reviewed and an appointment of an architectural firm was imminent. Immediately upon appointment of the architect, preliminary building plans will be produced as promptly as possible.

George H. Hauerken, chairman of the building committee, announced that it is the present plan of the committee to initiate construction as fast as can be done after preparation of final plans with construction to proceed as fast as funds then in hand permit.

Perc S. Brown, general chairman of Orinda Library Building Fund, announced that facilities for a circulation library of music new seemed assured.

He said, "As of now, approximately $78,000 has been or is in process of being received in cash and pledges, leaving appriximately $45,000 more to be raised.

"We are gratified that approximately 1700 Orinda families have contributed, but there are still over 800 families who have not yet done so and an informative letter is going out to the latter group this week. We hope they will now join with many of their neighbors in assisting in creating this essential, Cultural Center and Community Asset."

Brown said that the Committee used a quotation from an Annual Report of The Free Library of Philadelphia, which has aroused considerable interest. The quotation is a follows:

"Let every man, if possible, gather some good books under his roof, and obtain access for himself and family to some social library. Almost any luxury should be sacrificed to this."—W. E. Channing (1838).

Brown said it was hoped that this informative letter would bring in $20,000-$25,000 in cash.

Orindans Will Ballot Today In School Vote

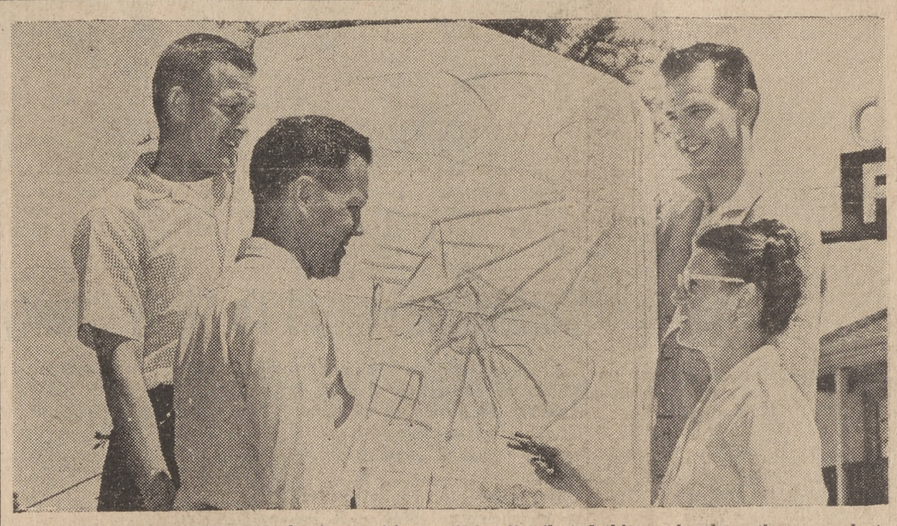
Only candidate on the ballot for today's annual election for Orinda School District trustee is incumbent Nathan G. Gray of 5 Spring Court, Orinda.

His current term expires June 30. The next term is for three years. Gray was appointed to the board in March, 1956, when Seaver Ballard resigned.

In addition to voting in their local school district election, Orinda voters will also cast ballots for a member of the County Board of Education, a Ward 4 trustee of the Contra Costa Junior College Board and a trustee of the Acalanes High School District Board.

Polling places are open from 7 a.m. to 7 p.m. They will be as follows:

Consolidated Precinct 1—Orinda School; Consolidated Precinct 2—Glorietta School.



ORINDA INCORPORATION election petitions will be distributed this weekend, as they were last weekend, in an effort to obtain the required number of signatures to ask the County Board of Supervisors to schedule an election on incorporation of Orinda as a city. Left to right as they studied a map of Orinda in preparation for the extensive petition drive of the Orinda Association, were Jack McCorkle, Bob Bowles, in charge of petition-circulating south of Mt. Diablo Boulevard; Jack Gates, and Mrs. Millard Simon, in charge of petition-circulating north of Mt. Diablo Boulevard.

Over $700 Made At Benefit Game For Summer Ball

Twelve Orinda school students and two adults were winners of audience prizes at the basketball game held for the benefit of the Summer Baseball League last May 3 at Miramonte gym.

The game drew enough people to add over $700 to the fund for the baseball league, which made it a successful evening for all. Possible exception is the Orinda All-Star basketball team, which lost the game to a team made up of 49er footballers by a 53-52 score.

The two adults who won prizes were Mike Tanovitz, who went home happily clutching an electric frying pan, and Clarence Woodard, who received an electric tea kettle.

Prize winners in the student bracket were:

Karen Bentley, Del Rey, a baseball glove; Steve Dudley, Orinda, George Kast, Del Rey and Jane Harmon, Sleepy Hollow, baseball bats; Wade Wallace, Acalanes, a football; and Betty Tranborn, Del Rey, a hat.

Baseballs were awarded to John Vicars and John Heckathorn, both of Glorietta.

Softballs were presented to Eddie Diercks, Sleepy Hollow; Helen Johnson, Orinda; and Bob Viale and Terry Mann of Pine Grove.

Fire District Gets Dividend Check of $973

The Orinda County Fire Protection District has received a dividend check for $937.29, reprseting 43.5 per cent of the earned premium amounted to $2237.44 for the year, according to Clarence Betz, district secretary.

The management of the fund complimented the district on the low accident record which made such a large dividend payment possible. The ratio of losses to premium for this policy year was less than 7 per cent, Betz reported.

Chart Released On Library Tax

Library tax for Contra Costa County results in $1.70 per capita for the area served by the county library system as compared to a $3 per capita standard set by the American Library Association.

The statistics were shown this week in a library service chart released by Bertha Hellum, county librarian.

Revenue raised for county library service is based on the county library tax of .087 per $100 assessed valuation. State law limits the county library tax rate to .10.

Area Transit District Seeks Answer to Strike Possibility

Directors of the Alameda-Contra Costa Transit District met with public officials and civic leaders yesterday in an effort to halt any strike of Key System employees.

Transit District chairman Clair MacLeod said in invitations to mayors, city managers and supervisors of Alameda and Contra Costa counties:

"THIS MEETING has been called to discuss and determine a possible course of action that will insure continuation of public transit service in the two counties that are threatened by an apparent stalemate in Key System contract negotiations."

The meeting which was held at the Hotel Claremont was presided over by Robert K.Barber, vice-chairman of the district.

Barber had been authorized by the transit board to start negotiations with transit firms in the area on the possibility of acquiring or leasing transt facilties in the event of a strike.

He also was authorized to consult on any problems in the negotiations with Charles E. DeLeuw of the transportation firm of Deleuw, Cather and Company.

"THIS DISTRICT was formed for the express purpose of taking effective action in the event of just such an emergency as the one posed by the information we have received that a strike is almost certain to be in effect June 1," said MacLeod.

"We see our duty first, making every effort to prevent a disruption of transit service. If that fails, then we must do everything possible to keep transportation rolling for the benefit of the shoppers, and the general economy of our area."

Key System went on strike in 153 for 56 days and tied East Bay transportation for the entire strike period.

The Key System and, the Carmen's Union are negotiating against a May 31 contract expiration date. The union is asking a 15 per cent wage increase and other benefits.

KEY IS ASKING that the union except a 32 point program. The union claims that the demands would set organized labor back 50 years.

Meanwhile the negotiating committe of the Carmen's Union released a statement to the press that the Union has made no headway at all in its negotiations.

The committee asked that the carmen empower the negotiators to call a strike at their own discretion.

NEGOTIATIONS began April 25.

Orinda Value Days Coming Next Week - May 23, 24, 25

Orinda Value Days are coming to town next week—Thursday,May 25; Friday, May 24, and Saturday, May 25.

Anticipated eagerly by shoppers throughout the community, Orinda Value Days are sponsored by the Orinda Chamber of Commerce and are planned by the Merchants Committee of the chamber under the chairmanship of John Ogden.

Orinda stores are cooperating in the big event.

"YOUR MERCHANTS have been preparing for this event for some time," said Ogden.

"They will be offering regular quality merchandise at special value prices during the event.

"This is merchandise which has been selected from the regular stock on the merchants' shelves, not merchandise which has merely been purchased for a special sales event.

"THIS ASSURES the shopper of true value during Orinda Value Days.

"Men, women and children will do well to circle the dates May 23, 24, and 25 on their calendars and to plan to take advantage of Orinda Value Days."

Large, colorful window banners will be displayed in the stores participating in the event, and special Orinda Day ads will be published in the Sun Shopping News next Wednesday and The Sun next Friday.

Over $1500 Stolen in Four Orinda Thefts

Loot valued at more than $1500 was stolen in four burglaries in Orinda last weekend. Three of the burglaries were at homes; one was at a lunch wagon.

Stolen from the William J. Abrie home at 313 Overhill Road were a quarter-bank and a "treasure chest," both containing a total of $34.50.

From the Otis H. Walker home at 500 Miner Road an undetermined amount of loot was stolen by burglars who smashed a pane from the French door. Silver, lamps, radios and costume jewelry were among the objects taken.

The Milton Shriver residence at 30 Brookside Road was the scene of a burglary which resulted in the loss of some $1200 worth of articles, including more than $900 worth of jewelry.

The lunch wagon of Irving "T-Bone" Janda at 61 Moraga Highway was broken into, with the result that $117 in cash was stolen, plus quantities of hamburger, buns, milk, ice cream, potato chips and wieners.

Mothers' Club Set to Install

Officers who next year will guide the activities of the Orinda Mothers' Club will be installed at the May meeting next Tuesday morning.

The program, scheduled for 10 o'clock in the Orinda School auditorium, will also feature songs by the Orinda School sixth grade chorus under the direction of Mrs. Patricia McGee.

Taking part in the installation ceremony will be the new officers' own children, who will present their mothers with corsages in honor of the occasion.

The following mothers will take office Tuesday:

President, Mrs. James Irwin; vice-president, Mrs. Frank Shirey; corresponding secretary, Mrs. William Wood; recording secretary, Mrs. George Bregar; treasurer, Mrs. Stanley Hunn.

Also to be installed are the coordinators of the five schools, elected last month by written ballot:

Orinda, Mrs. Charles Hanks, Sleepy Hollow, Mrs. Rudolf Grah; Pine Grove, Mrs. H. C. Gathings; Glorietta, Mrs. R. I. Copenhagen, and Del Rey, Mrs. Howard J. Dauphinee.

Mrs. Charles Erickson, retiring president, will serve next year as board advisor.

Offers To Sell Pine Grove Land To Association

The Pacific Intermountain Express Company has announced to the Orinda Association that it "has no plans for building on the property" in the Pine Grove in Orinda.

Announcement came in the form of a four-point proposal approved by the board of directors of PIE and submitted to the board of directors of the association at their meeting Monday night at the Orinda School auditorium.

The proposal was made at a meeting between committees from the two principals in the long-standing dispute over the zoning of the 10-acre parcel.

CURRENTLY the property is zoned Administrative Office District, and PIE had plans for erecting a $750,000 office building on the land.

The Orinda Association maintains the land should be use for community purposes, and to that end has taken the matter to court.

The PIE proposal, which has been approved by the company's board of directors, as submitted to the people of Orinda for their consideration, contains the following points:

1. PIE presently has no plans for building on the property.

2. They will, however, proceed with the litigation as far as is necessary to maintain the zoning.

3. The property is for sale to the community of Orinda and will remain exclusively so until withdrawn by notification. This offer is open for a reasonable time only.

4. PIE will cooperate with the Orinda people in arranging terms of sale including such things as the down payment required and loan arrangements extending over a period of years at a reasonable interest rate.

A SPOKESMAN for the association admitted that the committee had been unable to "pin them down" on what represents a "reasonable time only."

The trucking firm purchased the land from the East Bay Municipal Utility District in 1956 for $106,000. They have not announced the price for which they are willing to sell it to the people of Orinda.

After W. E. Estes, president of the association, announced the PIE proposal to his board of directors, a representative of the Orinda Community Church announced that the church might be interested in purchasing more land.

Everett Howe, chairman of the church building committee, said the church needs "three plus" acres more land than they now have and asked the association's board to consider two possibilities as far as association property is concerned.

THE FIRST possibility is that the association might want to dedicate the necessary acreage for a the mutual advantage of the association and the church in the event a recreational or cultural development is made of association-owned property."

The second consideration the church asked the association to make is that the Orinda Community Church may be interested in purchasing some property. Howe did not mention a bid for the land, and association spokesmen said this would be determined by an appraisal.

To further explore the matter, representatives of the board of directors of the Orinda Association and members of the association's planning committee will meet with church representatives within 10 days.

EMUD Appoints Saunders To Position as Director

At a special meeting May 1 the Board of Directors of the East Bay Municipal Utility District appointed Harold W. Saunders, Lafayette resident and East Bay industrial and civic leader, as an EBMUD director.

Saunders was named to fill the vacany caused by the death recently of Thomas S. Neilson of Berkeley, who had been on the board since 1948.

Saunders will fill the unexpired portion of the four-year term to which Neilson was elected in 1954 — until January, 1959.

NEXT ELECTION of a candidate for the post, by the utility district voters, will be in November, 1958.

The directorship which Saunders fills — and which Neilson filled — is from Ward 2 of the utility district. This ward extends from Berkeley to Walnut Creek, and includes part of Berkeley, all of Orinda, part of Lafayette and all of Walnut Creek.

(At elections by the voters, all voters throughout the utility district participate, although candidates must be residents of specific wards.)

Wednesday's special meeting of the EBMUD board was held at the district office at 2130 Adeline Street, Oakland.

AT THE MEETING, before the appointment of Saunders was announced, Mrs. Ritchie Ward, secretary of the Orinda Association, asked for a short delay in making the appointment, in order to allow the association board time to meet and present suggestions of persons for the post.

She read a letter which the association, over her signature, had sent to the EBMUD board May 22, 1956, which stated:

"We wish to request that, should the occasion arise in the future where an appointment is contemplated for the Berkeley-Orinda ward, we be given the opportunity to suggest some people for your consideration."

LOUIS J. BREUNER, EBMUD board president, stated that the district directors did not feel they could delay the appointment, since votes of all five directors are required for certain business, such as land sales.

He added that up until two days before his death Neilson had declared that he expected to recover and to resume EBMUD board activity and that therefore the board was in no position to ask for his resignation.

MRS. BYRON BOLE of Orinda declared that not one new man on the EBMUD has been directly elected for 20 years or more.

She stated that during that time all newcomers to the board were originally appointed because of registration or death, and that when they have been reelected they have been reelected as incumbents.

This, she claimed, gave an undue publicity advantage to them when they sought reelection.

Mr. and Mrs. Saunders live at 3550 East View Drive, Lafayette. They have four children, five grandchildren and one great-grandchild.

THE NEW EBMUD director is vice president of Air Reduction Pacific Company and is responsible for the company's manufacturing plants in Emeryville, Berkeley and Sacramento, and the firm's distribution outlets in Stockton and Fresno.

He is president of the Contra Costa Development Association, and vice-chairman of the Central Coast Industrial Committee of the State Chamber of Commerce.

He also is a member of the Berkeley Manufacturers Association, the Oakland Chamber of Commerce and the State Chamber's statewide Industrial Committee.

SAUNDERS is president of the Alameda County Crippled Children's Society, chairman of the Salvation Army's Advisory Board and vice-chairman of the Clinic Board of Herrick Hospital. He is a member of the Alameda County Welfare Commission and a director of the Cerebral Palsy Association of Alameda County.

He is secretary of the California Intercollegiate Football Officials Association. Recently he was elected president of the Rotary Club of Oakland.

HAROLD W. SAUNDERS of Lafayette has been appointed to the East Bay Municipal Utility District Board of Directors to fill the vacancy caused by the death of Thomas S. Neilson.

Annual Member Tea Held by Demo Women

The home of Mrs. John Glascock, 34 Park Lane Drive, Orinda, was the site of the annual membership tea by the Democratic Women of Orinda yesterday. Members and guests of the club gathered from 2 until 4 p.m.

Elizabeth Smith of Kentfield, Democratic national committeewoman of California, addressed the group.

Guests were welcomed by Mesdames Forest Hill, Irving Leiber and Ralph Reid. Others assisting Mrs. Glascock with arrangements were Mesdames Phil Latterell, Charles Hanks, Lance Barden, James Benney and James Hupp.

Next week Democrats will have two calendar dates. On Thursday the regular membership meeting will be held at the home of Mrs. Jack Hubner, 242 Hall Drive, at 8 p.m.

On Saturday, May 25, the Democratic Women of Orinda will join with the Lafayette and Pleasant Hill Democratic clubs in celebrating Democratic Party Night at the home of Mrs. Emmarie Gibbs Holmes, 4 Diablo View, Orinda.

For information call CL 4-4270 or DR 6-5469.

Dixieland Band Will Help Fete Nursery School

A Dixieland band and a brand new menu will be added attractions at the every popular Orinda Nursery School Dance, this year scehduled for Saturday, May 25, at Diablo Country Club.

The Dixieland band will take over at 1 a.m., when the regular orchestra's engagement is over, and will play until 2 a.m., according to Mrs. Thomas Fitch, chairman of the annual dinner dance.

Mrs. Fitch says the late band was added to the agenda this year because so many people seemed to be on hand ready to go on dancing when the hands of the clock rolled around to 1 a.m. in years past. Menu change at the party will be from chicken to prime ribs of beef, Mrs. Fitch adds.

Now in its ninth year, and one of the most anticipated spring social functions this side of the tunnel, the dance is the single fund-raising project of the year for Orinda Nursery School. Dance proceeds are used for major improvements and equipment additions, like the new bike house which was built with a portion of last year's dance profits.

A few tickets are still available for next weekend's dance and may be had through Mrs. Godfrey Gregg, CL 4-3075, or Mrs. Gale De Martini, DR 6-4717, ticket chairmen.

Other Nursery School Association members assisting Mrs. Fitch with dance plans are:

Mrs. A. H. Thompson Jr., decorations; Mrs. S. Dwight Skaggs, invitations; Mrs. Robert DeWitt, posters; Mrs. James L. Duffy, publicity, and Mrs. William Platt, awards.

As always, numerous cocktail gatherings are planned to precede the dinner dance, among them one to be given by the Nursery School Association president, Mrs. Ned de Laveaga, and Mr. de Laeaga.

Mrs. de Laveaga's successor, elected at last week's meeting of the association, is Mrs. Fern Wilson, who was chairman of last year's nursery school dance.

Elected to serve with Mrs. Wilson are Mrs. Mel Aright, vice president; Mrs. Glenn Heltne, secretary; Mrs. C. O. Ford, Monday-Wednesday - Friday treasurer; Mrs. Thomas A. Curtis, Tuesday-Thursday treasuer; Mrs. Millard Simon, maintenance; Mrs. Robert Desmond, purchasing; Mrs. Duffy, publicity; Mrs. Charles Wilson, visitors; Mrs. Philip Deming, hostesses, and Mrs. John Madison, orientation.

Season Now Open At Orinda Pool

A long-awaited day finally arrived last Saturday when members of the Orinda Park Pool opened the 1957 season.

The pool is a favorite spot with many Orinda residents where members enjoy swimming, picnicking, ping-pong and dancing.

The president of the board of directors, Tom Mann, announced the life guards are the same as last year—Jerry Hayes, who is also the swimming instructor, Peg Kirby, and Butch Fitzpatrick.

As there are still a few memberships available, anyone who desires information may call the membership chairman, Alta Little, at CL 4-5202.

Those eligible for membership are residents living north of the Crossroads to and including Charles Hill Road and Charles Hill Circle.

Nursery Assn. Hosts Teachers

The Orinda Nursery School Association played host to Orinda's kindergarten teachers Wednesday evening at its May meeting.

Mrs. Walkley of Glorietta School acted as spokeman for the teachers: Miss Pearson, also of Glorietta Mrs. Parker and Mrs. Conlin of Sleepy Hollow Miss Christopherson of Orinda School, and Mrs. Sawyer and Miss Underhill of Del Rey School.

After touring the Nursery School building and talking with its teachers, Mrs. Walkley expressed great enthusiasm toward the work carried on in the school, saying that she felt Nursery School to be a great aid in preparing the child for kindergarten.

She believes the aims of kindergarten and Nursery School to be esesntially the same. Both try to prepare the child physically, emotionally, and creatively for the more serious learning ahead.

The child who has attended Nursery School seems to have learned a bit more about sharing; he seems to follow directions better; and he has generally had a wider variety of experience in creativity, art and music.

Following Mrs. Walkley's informative disucussion, the mothers enjoyed talking with the other teachers over coffee and donuts.

Hostesses for the evening were: Mesdames John Ward, chairman; James P. Dana; John Holmgren; Caral Coffey; William D. Leonard; Donn Sigerson; and Robert W. Angell.

Gifted Child Study Goes On

The Orinda Parents' Curriculum Committee will continue its study of education of the gifted child at its regular May meeting next Tuesday evening.

Scheduled for 8 o'clock in the Pine Grove School Library, Tuesday's disqussion wil center around reports of programs now being tired in other parts of the country, according to Mrs. F. C. Newman, chairman of the committee.

Orinda Garden Club Plan Buffet Supper

Orinda Garden Club members will entertain their husbands at a buffet supper Sunday evening at the home of the F. K. Bottomleys on Los Altos Road in Orinda. Guests will gather at 5 in the patio for cocktails.

Assisting Mrs. Bottomley are Mrs. George Goerl, Mrs. Ambrose Macdonald, Mrs. Roger Stark, and Mrs. Norris Wiggins.

Mrs. Arthur Pedersen is president of the club.

'Pink Tea' Will Honor Teachers

The traditional "Pink Tea" honoring all the teachers of the Orinda School District will be held this afternoon by members of the Orinda Mothers' Club board.

General chairman for the affair, to be held at the Van Tassel Lane home of Mr. and Mrs. James Irwin, vice president, is Mrs. Russell Gilwee, Pine Grove School coordinator.

Coordinators for the four other schools will assit her.

Floral arrangements are under the supervision of Mrs. Harry Clemons Jr.

36 Glorietta Singers Win Top Rating

On Saturday the Glorietta Chorus, composed of 36 fourth and fifth graders, traveled to Fremont High School, Oakland, for a performance in the California Music Educators State Music Festival.

Three numbers wer performed by the chorus, under the direction of Mrs. Patricia McGee—"Sheep May Safely Graze," by J. S. Bach; Legend," a Swedish folk song, and "Ezekiel Saw the Wheel," a spiritual. The chorus was accompanied by Mrs. Harriet MacQuiddy of Orinda.

The judges awarded the group a one—or superior—rating, the highest honor which can be awarded a competing group.

Judges were Douglas Kidd, director of music in Richmond, and William Erlendson of San Jose State College.

Kidd wrote of the performance: "Kids like these make a judges' job a cinch. Beautiful sense of phrase. Just plain great! This shows just what can be done with elementary children. Your school and community should be very proud of these wonderful kids and their teacher. It's so refreshing to hear musical singing and good material sung in an elementary school. Keep up the good work."

Erlendson wrote: "Lovely work! I am much impressed not only with the part singing, but the musicianship demonstrated. Your musical phrasing was outstanding. Each phrase was tapered so nicely. The tone quality was sweet and the diction and rhythmic pulse excellent. Congratulations on a real artistic achievement."

Orinda Nation Annual Pow Wow Will Be Sunday

Annual Pow Wow of the Orinda Nation of the YMCA father-and-sons movement will be held at Sleepy Hallow School, Orinda, from 2 to 3 p.m. Sunday.

In an announcement to "Big and Little Braves," the community is informed, "All members of the family are cordially invited to attend."

New member tribes to be inducted into the Orinda Nation at the Pow Wow are the Sioux, Cammanches and Mohicans.

Orinda Nation's new officers to be introduced include Harry Clemons, chief; Walt Schneider, assistant chief, and Doug Adie, medicine man-tallymaker.

A swapping session has been planned. Each Little Brave is asked to bring all he can carry in his pockets.

New members of old tribes will be formally inducted in the Orinda Nation along with new tribes.

All tribes are asked to wear headbands with feathers and to wear tribal equipment.

They are also asked to bring totem poles and tom-toms.

Parents Favor Girls' Standard Pine Grove Garb

A number of Orinda parents, in agreement with their daughters, have decided to adopt a standard dress for seventh and eighth grade girls at Pine Grove school.

A committee has been formed to look into the possibilities of similar dress, to help the girls establish a precedent that, according to proponents: "Would give the young people more pride in their school and in themselves."

Skirts and blouses have been designed to be mixed or matched for winter and summer, "to help take some of the emphasis from the daily fashion show and put it back on daily learning."

The styles chosen are suitable for all the different sizes found on the junior high level.

A soft gray washable wool skirt and white tailored blouse are the basic costume for winter wear. The girls may wear any sweater and other accessories. Sweaters should be Orlon for easy upkeep.

The skirt will take one full petticoat, but it is not necessary. Saddle or oxford shoes are recommended because of the physical education program and after-school activities.

The spring and late fall costume is a blue, drip-dry, cotton with a reasonably full skirt and a matching blouse that can be had in short sleeves, sleeveless and scoop neck. These were designed for our climate and the girls' tastes. The blue and white blouses are interchangeable and can be worn at any time during the year.

"THE PLAN has been clearly thoughtout and much research done by members of the committee," a group spokesman said.

"Teachers and students have been contacted where similar dress is used in public schools. An informal poll was taken in the Orinda area and the enthusiasm shown encouraged the committee to pursue the idea of similar dress for Pine Grove girls.

"The girls want to look, feel and be sharp. Their appearance will be most outstanding when they perform in any school activity. It will aid them in understanding the fundamentals of good grooming and enable them to save their nicer clothes for occasions such as school dances and social functions.

"The committee feels that this is an intelligent step because it brings to people's attention a fundamental idea. Agreement and harmony are just as important in good styling as free expression."

Those on the coordinating committee under chairman Mrs. William Gilmore are Mesdames Walter Christie, Leonard Odenthal, Russell Gilwee, John Gilbert, Charles Coburn, Lloyd Hecathorn and H. Stewart Kimball. Any questions can be answered by one of these ladies.

Committee Named To Study County Service for Cities

A committee to study services which the county could offer to spur the formation of additional cities in Contra Costa was named by the board of supervisors recently.

The seven man committee will be instructed to study such services as police, zoning and planning, street construction and maintenance.

The committee includes County Administrator Desmond Teeter, Francis Collins, district attorney; George Krueger, mayor of Concord.

Tom Shreve, president of the Pleasant Hill Civic Council; Edwin Howell, Richmond city manager; Ted Barcelon of the Lafayette Improvement Association and Stuart D. Loe of the Ygnacio Valley Improvement Association.

Supervisors Ivan T. Goyak of Richmond and Bud Buchanan of Pittsburg stated that the committee, representing the county and the already incorporated cities would be of great value.

When the committee will begin its study was not learned.

Orinda Group Supplies Baseball Gear

As evidence of its active support in sponsoring Orinda Cub Pack 225, Moraga Meadows Association recently presented the cubs with an impressive array of new baseball equipment for the boys to use in their Saturday morning games with other Orinda Cub packs.

The presentation was made by Moraga Meadows Association President Vic Kingston at a regular meeting of the pack in the auditorium of Glorietta School, and came as the climax to a program which included the showing of a movie on baseball.

The gift was accepted on behalf of the pack by Tevis Thompson, cubmaster, who expressed his appreciation of the interest shown by the association in the boys' activities and needs.

Included in the donation were three bats, six balls, a catcher's glove and catcher's mask.

The improvement association has been officially sponsoring Cub Pack 225 for slightly over a year and previously gave a cash donation to the pack's general fund.

Church Group Plans Carnival

The Pilgrim Fellowship of the Orinda Community Church is sponsoring a carnival tomorrow at the church.

The Community is invited to enjoy a variety of booths, a play by the "Curtain Callers," food and frequent drawings for the many prizes contributed by local merchants.

The carnival will be held from 3 to 7 p.m. and offers fun for the whole family.

Open Burning Deadline Set For June 15

Fire Marshal William Koch announced yesterday that the deadline for open burning for 1957 has been set for June 15.

"The Orinda Fire Department urges the people of Orinda who have as yet not disposed of their prunings or other garden materials which are combustible to call the fire House for a burning permit," he said.

"Please make your requests at least three days in advance."

Koch added that three years ago the Orinda Fire department outlawed the metal-barrel type incinerators this rule is to take affect June 1.

No permits for this type of incinerator will be issued or renewed after this date, he said.

"Please call the fire department before purchasing a new one, to be sure it will be approved by the department," he asked.

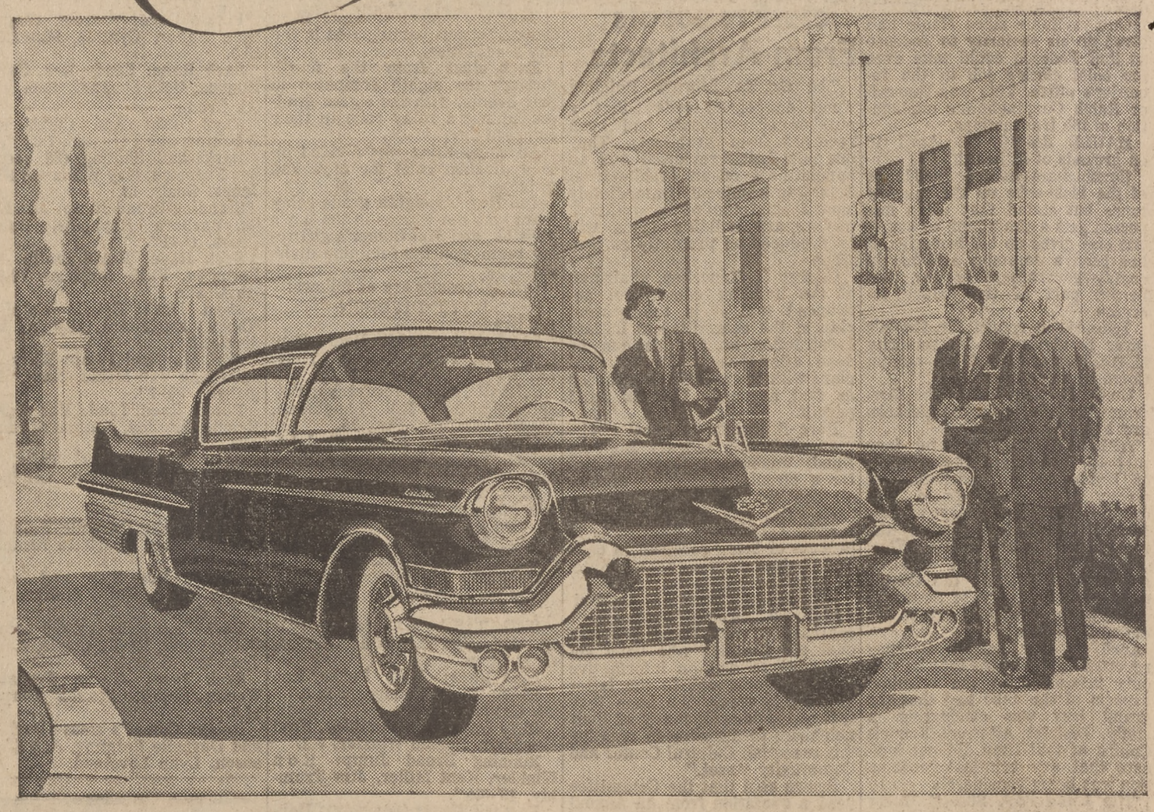
Cadillac



Third Generation at the Wheel!

"Like father, like son", the poets say.

And never was it truer than in the case of a great many fine Cadillac families.

For there are, in our land today, a number of families that currently boast as many as three generations at the wheel.

We mention this simply to underscore a great and dramatic truth about Cadillac—that, of course, is its *unchanging* goodness and quality.

For fifty-five years, the Cadillac name has signified one and the same thing to motorists everywhere—a motor car created at the highest level that automotive science would permit.

Over that time, Cadillac has attracted to the ranks of its owners the finest list of names to be found anywhere on the American motoring scene.

And, those who have followed the path to Cadillac in 1957 are enjoying the most abundant blessings of this ceaseless crusade for quality.

The new "car of cars", with coachcraft by Fleetwood, is beautiful and luxurious to an unprecedented degree. And its performance and handling ease are a revelation!

Certainly, the Cadillac car has now become an even wiser investment for an even wider circle of America's motorists.

If you have yet to acquaint yourself with these brilliant Cadillac virtues for 1957, your dealer will be delighted to tell you how easily you can make Cadillac a fine family custom of your own!

Board Rejects 'Too High' Bids For Las Lomas

Acalanes High School District trustees Monday night rejected as "too high" bids for construction at Las Lomas of a music building and two classrooms and for enlargement of the Las Lomas multi-use cafeteria room and the library.

Trustees, at their regular meeting, ordered a new call for bids after the call for bids has been broken down into units for each part of the project so that some part of the work may proceed.

Commenting on the high bids received for the full project, Trustee William Freeman stated that is it "imperative that district building costs be kept at an economic level and within the ability of the district to soundly finance required construction."

SUPERINTENDENT Neil M. Parsons reported to the board on district plans for a "developmental reading program."

"Studies and tests conducted in the district schools indicate that many students could use reading instruction assistance at the high school level," he said.

"In addition to the remedial reading work now conducted by three reading specialists in the district's schools, we expect to institute a wide reading training program for teachers.

"THE ADVANCED reading training program for teachers next year will be directed toward meeting the individual needs of students in our high schools. While the program is being emphasized in English courses, it will cover every area of learning and every school department.

More than one-half of the district faculty is expected to be enrolled in the advanced training program.

"We hope not only to work with remedial reading problems as we are now; we intend to enlist a reading education program that will aid average and above average students as well," Parsons explained.

Trustee approval of the total reading improvement program for the district followed a discussion between the superintendent and the board earlier this year and a semester-long survey of student reading achievement and needs.

IN OTHER ACTION the trustees:

1. Authorized a call for bids for district physical education supplies and equipment.
2. Accepted a bid at $28,077 from Beatty-Safeway Company of San Francisco for 2000 seating capacity permanent bleachers on the Miramonte athletic field.
3. Revised upward from 5 to 6 per cent the pay schedule for non-teaching personnel — clerical, custodial, maintenance and cafeteria workers and bus drivers.

Invitations Sent Three Demo Clubs

Invitations have been sent this week to member of the Pleasant Hill, Lafayette and Orinda Democratic clubs to attend a fund-raising party sponsored jointly by the three clubs.

The party has been set for next Friday, at 8 p.m., but the place is yet to be determined.

The party will be held in conjunction with the nationwide first annual Democratic Party Night sponsored by the Democratic National Committee, scheduled next Tuesday.

LOCAL DEMOCRATS have been asked to listen to the special radio broadcast scheduled for that evening, which will feature a quiz panel moderated by Adlai Stevenson.

The Pleasant Hill-Lafayette-Orinda party is one of several to be held in Contra Costa County in conjunction with the national party night.

The county's Federation of Democratic Clubs is co-ordinating the parties, scheduled by the various local clubs through aMy 31.

OBJECT OF THE PARTIES is to raise funds for the political campaigns of 1958 and 1960. The contributions raised will be divided among the national, state and local campaign committees.

Mrs. Betty Karpilow and Mrs. Joan Stromberg are representing the Pleasant Hill club on the interclub committee arranging the Pleasant Hill- Lafayette- Orinda clubs party.

Pat Sullivan, president of the Lafayette club, is the committee chairman.

June 13 Still Date For By-Pass

June 13 is still the tentative date for opening of the 2.6-mile, $3 million-plus Lafayette By-Pass, Cliff Birnie, senior engineer in charge of administration and public relations for District IV of the State Division of Highways, said yesterday.

Work is now concentrated mainly at the west end of the freeway project, according to Birnie.

He stated that the deck is completed on the long bridge at "Lafayette Undercrossing," near Pine Lane. This structure is frequently called "the El Nido bridge" because of its proximity to the El Nido Rancho restaurant and hotel.

BIRNIE REPORTED that the contractor, Gordon H. Ball of Danville, is now working on the railing of the structure, and also on grading and paving of the on and off ramps at the west end of the by-pass.

Also under way is paving of the outside and inside shoulders at the west end of the project.

Birnie stressed that the June 13 date is tentative, and that it is dependent upon weather and other unpredictable factors.

AFTER THE OPENING of the by-pass to traffic, there will still be about another month of "finishing-up" details to be done, the engineer pointed out. These would include such matters as slopes and fencing.

The Lafayette By-Pass, a major link in the developing Diablo Freeway, runs from the vicinity of Sunnybrook Drive to the Pleasant Hill Road Interchange.

The course of the by-pass is north of Mt. Diablo Boulevard, at distances up to about 1000 feet north of the boulevard.

Concert is Tomorrow At Acalanes

Diablo Valley Choral will present a concert program tomorrow at 8 p.m. at the Acalanes High School under the direction of Nico D. Snel.

Snel, a graduate of the Conservatory of Music in Amsterdam, Holland, studied with Fred Roeska, noted European conductor. In his native Holland, Snel has directed professional light operas and concerts.

In the United States' his home for the last eight years, Snel has directed several choral groups, one of which is the celebrated Mormon Male Chorus.

He is presently serving as Stake music director for the Berkeley Stake of the Church of Jesus Christ of Latter-day Saints.

Mrs. Donald D. Daniels, talented piano accompanist for the choral, was a music major at Mills College and the University of California. Mrs. Daniels is also adept at playing the organ. This is her second year as accompanist for the choral.

Tickets for the concert are available through choral members.

Class of 1933 Plans Banquet For 90 Grads

The class of 1933 of Mt. Diablo High School of Concord is holding its first reunion banquet at Paul's Place in Martinez on May 25.

The committee reports approximately 90 reservations have been received to date. Reservation time has been extended to Monday.

A souvenir program is being prepared with a small biography of each member of the class.

Responses to the invitations have come from practically every city in the Bay Area as well as Salinas, Orland, Sunnyvale, Los Angeles, Stockton, New York and other places.

Louis Ferriera, of 1947 Amador Avenue, Concord is chairman of the committee arranging the affair. Serving on the committee from Concord are Hollis Matheson Kulander, Leola Ogilvie Granlund, Donald DeRosa, Milton Westbrook and Paul Keller.

Others on the committee are, from Walnut Creek, Jayne Hook McGeehon; from Lafayette, Ellen Herman Randall; from Martinez; Lucille DeVecchio Kassik; from Port Chicago, Arline Seaward Rouner, Raymond Anderson and Christina Lombardi Withers.

Robert Spott of Orinda, President of the Class of 1933, is honorary committee member.

HEADLIGHT BLINDNESS

Sub-Station Now Officially Open After Ceremonies

Official opening ceremonies of the new sheriff's department substation located on Moraga Road in Lafayette were conducted at the station Wednesday morning.

The keys of the new building were officially turned over to Sheriff Harry A. Brown by C. R. Turner, president of the Lafayette Fire Board.

Attending the ceremony with Brown was his Under-Sheriff, John Jagard. Others who participated in the ceremony were Supervisor Mel Nielsen, Architect Jack Butscher, Contractor Ernie Holman, President of the Lafayette Chamber of Commerce Earle Pierce.

After the keys had been turned over to Brown the party of men inspected the new building and its facilities.

An open house for the public will be held tomorrow between the hours of 10 a.m. and noon. Inspector Norman Wilson, in charge of the new station, has invited local residents to inspect the new building.

Rose Resnick Will Describe Camp for Blind

Miss Rose Resnick, executive director of Enchanted Hills National Foundation, will address the Omega Nu Sorority at Pioneer Village, Lafayette, at 7:30 p.m. May 25 on the services offered to blind people by the foundation and its summer camp.

The Enchanted Hills Camp for the Blind is a 340-acre area near Napa. With her on the program will be her co-director, Miss Nina Brandt, who is director of the camp.

Miss Resnick, blind since the age of 2, is on a speaking and conference tour of Nothern California communities. She is accompanied by her German Shepherd guide-dog, Toddy.

County, Area Voters Ballot On Schools Today

Central Contra Costa County voters will cast their ballots today in school trustee elections. One of these contest concerns the entire county. Two of them concern a large portion of Central Contra Costa County.

The countywide election is for a four-year member of the County Board of Education. However, there is no contest in this election, since the only candidate is George A. Johnson of Crockett.

Although Johnson is from Area 3 (the John Swett and Alhambra Union High School Districts), election is by all voters in the county.

VOTERS IN WARD 4 of the Contra Costa Junior College District will elect a three-year member of the district Board of Trustees.

Candidates are incumbent O. J. Wohlgemuht of 3087 Ygnacio Avenue, Walnut Creek, current president of the board, and Dr. Leroy C. Merritt of El Cerrito.

Ward 4 of the Junior College District includes the southern part of El Cerrito, all of Orinda, Lafayette, Canyon and Moraga, part of Walnut Creek, all of the San Ramon Valley and one precinct at the south west corner of the Mt. Diablo Unified District.

IN THE ACALANES High School District (Walnut Creek, Lafayette, Orinda, Moraga Canyon) voters will elect a three-year member of the district Board of Trustees.

Candidates are Mrs. Alice McBride of 1729 San Luis Road, Walnut Creek, incumbent and current chairman of the board, and Robert E. Sanderson of 971 Hawthorn Drive, Lafayette.

Polling places in Lafayette, Orinda and Walnut Creek are open from 7 a.m. to 7 p.m. In Moraga and Canyon the polls are open from 3 to 7 p.m.

Polling places are the same as for local trustee elections.

Teacher Minimum Pay Bill Wins OK

Starting California teachers will have their minimum salary scale boosted from $3400 to $4200 if a bill authored by Contra Costa County State Senator George D. Miller Jr. becomes law.

The bill cleared the Senate education committee on Tuesday and is now before the finance committee.

But Miller has stated that he will "withdraw the bill or ask the Governor to veto it" unless additional money to pay the teachers' salaries is forthcoming.

Several members of the education committee said they would not support the increase unless it was accompanied by increased state aid to school districts.

Supervisors Ask Study of Pool Fencing Law

The Contra Costa County Board of Supervisors will name a committee Tuesday to study the problem of a proposed ordinance making fencing of swimming pools mandatory.

The committee will be appointed by Ray Taylor, chairman of the board, in the near future.

The request for an ordinance was brought about by a number of central county residents in light of small children drowning in private pools.

Desmond Teeter, county administrator informed the supervisors that there are 1250 pools in the county and it would be a near impossible task to insure that all were fenced all the time.

Joint-City Idea Now Under Study By U.C. Team

The Acalanes Taypayers Committee announced yesterday that a study of the feasibility of a joint incorporation of the Lafayette-Orinda-Moraga area was being undertaken by a team of graduate students of the University of California under the supervision of Jack Kent, chairman of the Department of City and Regional Planning and former director of planning for the City and County of San Francisco.

In making the announcement, Ted Barcelon, chairman of the committee, stated:

"It is our understanding, through the contact of this study group with the secretary of our organization, that it will not be in conflict with the separate studies being made by the individual communities, but is a logical and necessary study in order for the residents to be fully informed.

"The report is scheduled to be completed within three to four weeks and will endeavor to set forth the problems involved as well as the disadvantages and advantages of joint incorperation.

"The report will be in more detail than the study conducted by Harry Morrison Jr., excutive secretary of the Contra Costa County Taxpayers Association. That study was made in 1953 and pointed up the advantages of a large tax basing area.

"Morrison's conclusions were of such a nature that our committee believes that such an alternative should be fully studied and the facts set forth while various groups are considering the problem of securing local control and administration for their areas."

INTERSECTIONS

In 1956, there were 390 persons killed in the U.S. crossing an intersection with signal. Twenty were killed on safety isles.

Contra Costans To Vote Today

Contra Costans will go to the polls today to vote in the annual election of school board members.

Throughout the county they will elect local school trustees and one member of the Contra Costa County Board of Education.

In Western and Southern Contra Costa County, the voters will also elect two Contra Costa Junior College board members.

VOTERS IN THREE school districts will, in addition, decide bond and tax measures.

Proposals are: Moraga District, increased tax rate ceiling from $1.25 to $1.75; Mt. Diablo Unified, $5,500,000 bond issue and authorization to borrow $6,500,000 in state building funds; and Walnut Creek, increased tax ceiling from $1.50 to $2.75, $1,211,000 bond and authorization to borrow $4,000,000.

Incumbent Elton Brombacher of El Cerrito is unopposed for board member from Ward I of the Contra Costa Junior College District, including Richmond and part fo El Cerrito.

IN WARD IV, which includes the remainder of El Cerrito, Orinda-Lafayette area, part of Walnut Creek and the San Ramon Valley, Incumbent O. J. Wohlgemuth of Walnut Creek is opposed by Dr. Leroy C. Merritt of El Cerrito.

George A. Johnson of Crockett, incumbent, is the sole candidate for the County Board of Education representing Area 3, composed of the John Swett and Alhambra Union High School Districts.

Polling places in most instances are located in the community's school buildings. In all but small school districts polls will be open from 7 a.m. to 7 p.m.

CANDIDATES IN the Central County area are as fololws:

ALAMO (1 to be elected) — Edward Thomas, incumbent.

CANYON (1 to be elected) — Allen R. Crawford, incumbent.

WC School Considering Unique Student 'Court'

A big step toward dealing with disciplinary problems is being considered by the student body and faculty of the Walnut Creek Elementary School.

Creation of a student court, with power to recommend to school authorities in cases of infraction of rules by pupils has been discussed by student body leaders and adult advisors for several weeks.

The court would be composed of nine students, assigned to staggered terms of six weeks each, who would sit informally in the manner of a grand jury, hear all sides of the case, and present their recommendations.

THESE recommendations would be taken into account by the school administrators when considering the individual case, faculty advisor George Stephenson, an eighth grade teacher, said.

Stephenson said, "The court is not designed to sit in judgment but is to help troubled students to become better citizens, to hear their side of the case and talk over what can be done.

"The court would then recommend what it feels would help the boy or girl to attain better self control. During the hearings, the court members would have the privilege of questioning the pupil."

The court is to be submitted to a vote of the student body perhaps this week.

A TENTATIVE court jury has been picked, after planning by Stephenson, Miss Virjean Parker, student government teacher, Rod Holcomb, student body president, and Gary Riegg, student body vice president and chairman of the jury selection committee.

The selection committee has as members Kethleen Davidson, Patricia Larson, Douglas Turner, Ronald Beaubien and Patricia Scharting.

Stephenson said, "We also have had the help of the Parent Teachers Association, and President Mrs. Louis Pitto. The PTA will advise in an ex-officio capacity.

"The boys and girls just this week had a long discussion about the philosophy behind the rules to be set up. There were a lot of comments and criticism, and the plans shows a great deal of promise," he said.

THE JURY itself will have a boy and a girl from each of the grades from fourth to eighth. It will meet on Tuesdays and Thursdays at 10 a.m. in Room 19, if the student body approval is won.

The jury member will serve for six weeks, and each two weeks three members will be replaced. There will be one jury member for about each 50 students. The selection of jury members will be up to the jury selection committee, and not the faculty members.

"Just what sort of cases will go before the student court has brought a lot of discussion," Stephenson said

"We will have to separate the major and minor offenses. The things involved in making for good manners, for care of the school, for orderly conduct may be in the student court realm.

"THIS ENTIRE process is unique in a way. It began with a suggestion, and grew like topsy.

"The boys and girls have talked about having a greater say in the school affairs, and say they want greater responsibility.

"We at first thought of a trial court, but decided that more beneficial would be a advisory board group in the grand jury style.

Combined Effort On Condit Road Is Step Forward

With the opening of Condit Road in the Lafayette area the county marks a new step forward in road planning and development in cooperation with subdividers, according to County Supervisor Mel Nielsen.

Condit Road will provide the only connection between Lafayette and Walnut Creek, other than Mt. Diablo Boulevard. The road will connect Reliez Station Road and Leland Drive.

This very important connection was conceived by the County Public Works and Planning Departments and was made possible through the cooperation of the Consolidated Companies of San Francisco headed by Ernest Turre of Lafayette.

The developer planned the two subdivisions in such manner as to provide the connection and built a large portion of Condit Road as a part of these subdivisions, as reported by Don Chamberlin, Area Maintenance Engineer in the Public Works Department. The County Public Works Department completed the road from Windsor Drive to Leland Drive, as part of the joint endeavor.

The entire road is aproximately one-half mile in length and the county's cost in its share of the construction was approximately $32,000.

Pack 207

The following Cubs won awards at the April Pack meeting of Cub Pack 207:

Bill Cunningham, Mike Williams, Scott Adie, Barry Dauphinee, Bill Ashworth, Gary McCosker Steve Scott, Richard Spatz, Rickey Pilgrim, Gary Baker, Pat Dewing, Mike Molesworth, Rusty Pauli, Danny Thornton, Hugh Kimball, Peter Kimball, Bob Ashworth, Robert Small, Jeff Williams, Harland Winter, Kirk Adie, Robert Bardell, Tommy Bell, David Denning.

Pinewood Derby

At the April meeting of Cub Scout Pack 211 at Orinda School, a Pinewood Derby was held, the first time an event of this kind was held by Cub Scouts of this area.

Each Cub had spent four weeks with his father constructing a small racing car weighing no more than five ounces. A downhill three-lane track was constructed under the supervision of Charles Hageman.

Elimination heats were run to determine the winners of the speed race.

First place was won by Roger Burton, second by Dick McCready.

Delay of Deputy Coroner Law Brings Exchange

Passage of an ordinance which would give to all funeral homes in the county a piece of the lucrative deputy coroner's trade was postponed recently on the request of District Attorney Francis Collins.

After heated discussion between Supervisor Mel Neilsen, Coroner L. H. Fraser and Collins, Supervisor Ivan Goyak moved to put the matter over for two weeks, "not on the merits of the issue," but on the basis of Collins' plea.

Collins said he needed the postponement to look over objections raised by Fraser's attorney. Fraser has advocated that the deputy coroner duties be parceled out to he county hospitals, rather than the funeral homes.

NIELSEN CHARGED that Collins was not living up to his earlier statements that he could conceive an ordinance which would be binding despite objections.

Collins defended himself by saying that in the other counties that use the proposed system, the coroner, not the Board of Supervisors, does the rotating.

The rotation would allow the homes up to now "left out" to share in the business of picking up bodies where death took place under questionable or unusual circumstances.

Each year, there are hundreds of such cases. Usually, the relatives decide to let the home providing deputy coroner services to proceed with the funeral arrangements.

NIELSEN asked Fraser why he had not been able to offer suggestions for the establishment of new boundaries for coroners' districts, and Fraser replied that he hadn't yet seen the ordinance.

Collins, when under Nielsen's fire, pointed to the framed picture of the late "Billy" Buchanan, father of Supervisor W. G. Buchanan and former chairman.

He commented that things had been different 12 years ago, when the request of a legal advisor was listened to.

When Goyak moved adoption of the postponement, Nielsen voted no, and Buchanan voted yes, reluctantly, he said, due to the desirability of settling the matter.

Melvyn Whalen of Danville, a mortician, was granted the floor and angrily questioned how Fraser could object to the ordinance when he had not seen it. Whalen is one of the morticians in the county who had not been assigned deputy coroner duties

Father of Local Store Owner Dies

Mrs. John Ogden, partner with her husband in the Orinda clothing store which bears their name, flew to St. Paul, Minn., recently to attend the funeral of her father, N. T. Mears.

Mears, 79, has long been active in church work in Minnesota, and was past president of the Northern Baptist Convention, chairman of the convention's mission board, and chairman of the board for seven homes for the aged.

By-Pass Job To Be Awarded

The county is planning to award the contract for construction of the long-awaited Orinda Village By-Pass "early in July," County Public Works Director Victor Sauer said recently.

He told the Orinda Association's Civic Affairs Committee at its regular monthly meeting in the Orinda School auditorium recently.

"The Board of Supervisors approved payment to Pacific Gas and Electric Company for necessary moving of towers.

"If we have a mild winter like this past one, and if everything goes like clockwork, the Orinda Village By-Pass could be finished by December.

"In any case, it will be in use next year."

Deputy County Public Works Director Chester Smith said later that actual construction of the Orinda Village By-Pass will start in the fall.

"Most of the right-of-way has been purchased," Smith said.

Air Pollution Budget Passed

The 1957-1958 budget for the six-county Bay Area Air Pollution Control District in the amount of $418,500 was unanimously approved by the Board of Directors at its May 8 meeting in San Francisco. The amount represents less than 1 cent per $100 on the tax rate to taxpayers in each county.

Based on the population and assessed valuation of real property, the estimated assessment to each county will be as follows: Alameda, $105,831.82; Contra Costa, $52,925.75; Marin, $15,543.25; San Francisco, $105,320.28; San Mateo, $50,053.21; and Santa Clara, $63,825.69.

Other Board action included the approval of a District laboratory program and the approval of a contract with the Stanford Research Institute for a Specialied Air Pollution Library.

The Board also authorized Control Officer Benjamin Linsky and one member of the staff and members of the Board to attend the Air Pollution Control Association meeting in St. Louis, Missouri, June 2-6. Linsky is National President of the Asosciation.

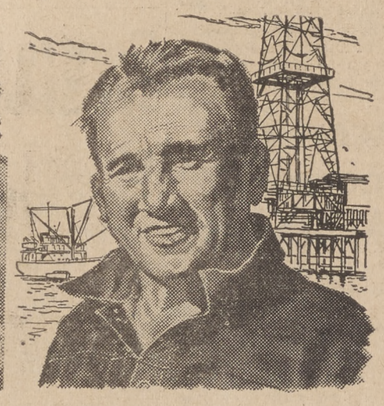
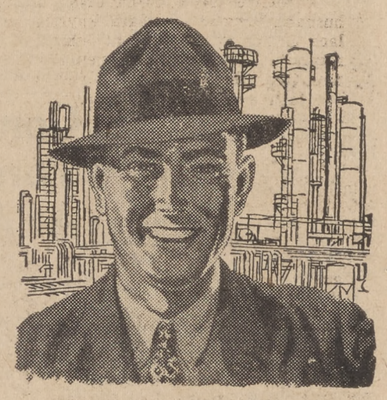
How Standard put $4,282,372 to work every day last year

...and what this meant to people in the Western Hemisphere

Port of Spain, Trinidad Exploration for possible new sources of oil covered millions of acres in the U.S., Central and South America, Canada, Alaska and the Bahama Islands. Seeking oil for your future use is one of our biggest expenditures ...$324,789 on an average day. Again last year we found more new oil than our wells pumped from the ground.



Gulf of Mexico We completed better than two new wells a day ... 101 of them off the Texas and Louisiana coasts where drilling costs up to six times as much as on land. An average day's bill for drilling came to $431,516. This huge expenditure was necessary because a well may cost from $125,000 to over $1,000,000 and one out of every six wells drilled was dry.



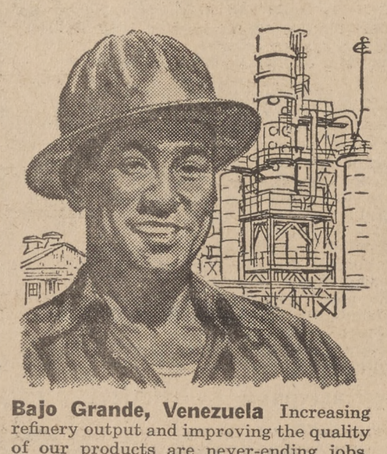
Perth Amboy, New Jersey Standard and its operating companies from New Jersey to California, from Alaska to Venezuela hired 2,485 new employees last year. Our working family grew to a new high of 38,854. The wages and salaries they earned added to the economic health of communities in 46 of the 48 states and in many other nations of the Western Hemisphere.

U. S. A. Our Federal, State and other taxes amounted to $325,424 a day ... enough to buy a helicopter for rescue work, or pay for complete training of three jet pilots every day. In addition to paying these direct taxes, in 1956 Standard collected for and passed on to Municipal, Provincial, State and Federal agencies $193,460,383 as sales and gasoline taxes.

Vancouver, British Columbia On an average day we spent $517,446 to keep equipment in repair and up to date ... extending a wharf at Vancouver, adding to a refinery in El Paso, Texas or a pipe line to Boise, Idaho. This work provided employment for thousands of construction and maintenance workers as well as for the employees of firms supplying equipment.

El Paso, Texas Purchases of crude oil took $949,853 a day in areas such as El Paso, Texas and Bakersfield, California. Even though our own Western Hemisphere production was at a new high, we bought oil from many small and medium sized producers. To these people and their employees Standard was a good customer and an important source of income.

Salt Lake City, Utah Our 738 employees in Utah were among the total of 38,854 Standard Oilers who participated in benefit plans at the rate of $119,082 a day. One was our Stock Purchase Plan to which Standard added nearly twice the amount an employee deposited. Some other plans included sickness benefits, retirement pay and Company-paid life insurance.

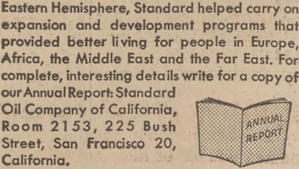


Bajo Grande, Venezuela Increasing refinery output and improving the quality of our products are never-ending jobs. Last year one of our operating companies completed a new asphalt refinery in Venezuela and plans were announced for a future refinery near Everett, Washington. New equipment for our manufacturing plants called for investing $107,741 a day.

Berkeley, California Although 43.5% of Standard's owners live in the West, Alaska and Hawaii, you'll find them almost everywhere. Stockholders include colleges, churches and banks, but most of them are individuals. Of every dollar we took in, 6-6/10 cents or $285,028 a day was distributed among Standard's 137,381 stockholders who own the Company.

WHAT HAPPENED TO THE $1,567,348,030 STANDARD TOOK IN LAST YEAR can best be told in terms of people ... many people in many lands. For example, Standard was a customer of more than 10,000 Western firms last year. One major item such as a refinery unit required the services of people in scores of other industries.

Moreover, many of the 1250 products we made from petroleum were raw materials for other manufacturers ... from paints to cosmetics, from detergents to synthetic fabrics. Thus you'd never be able to count the people who benefited directly or indirectly from the $4,282,372 Standard put to work every day last year.



Through affiliated companies operating in the Eastern Hemisphere, Standard helped carry on expansion and development programs that provided better living for people in Europe, Africa, the Middle East and the Far East. For complete, interesting details write for a copy of our Annual Report: Standard Oil Company of California, Room 2153, 225 Bush Street, San Francisco 20, California.

A Mother's Day dividend for some!

IF YOU'VE NEVER BEEN LUCKY in the Irish Sweepstakes or stuck it rich in the merchandising contests, don't give up just yet. You're due for a "winner" soon.

At least the Dick Bottjers can no longer claim "WE NEVER win anything!" Which is EXACTLY what Jean was muttering into the nearest earlobe (which happened to be ours) at the Linden Branch benefit Saturday night just seconds before her spouse, w/lucky ticket in hand, found himself presented w/a handsome wicker basket full of gourmet goodies.

THE PRE-MOTHER'S DAY PARTY held that night at the Rheem Blvd. residence of the Victor Grabers (you know the attractive two-storied ship-grey house w/the pillars and circular driveway) had a certain sense of scintillation permeating amongst the feminine partygoers. Could be they were planning on staying out a little later than usual w/the prospect of being served BREAKFAST IN BED the following morning. We hope NO ONE was disappointed!

THE COOL OF THE EVENING kept the guests mainly in the pine-paneled playroom downstairs, but few missed a walk around the lovely formal garden in the rear . . . Here, soft lights, a three-level flagstone terrace highlighted by an enormous well-pruned Oak . . . A pert Florentine Cupid standing on the clipped lawn seemed quite apropos of the sentiment to be extended the Fair Moms on the morrow.

IN THE GAME ROOM . . . the Joseph Dirickx coming w/the John Dorrs, (Fran Dirickx, incidentally, has taken over the Orioles gavel temporarily for Mary Dorr) . . . The Andrew Catheralls circulated in the crowd as were Ken and Anna Jane Detling.

"Tea for Two" sounded in tune.

The Russ Gilwees chatting w/the Don Woodcocks and Dick Bottjers . . . The latter foursome later joining the Stan Hnnns and Ed Wilfords for dessert and coffee at the home of Bill and Jane Rose . . . The Miles Sutliffes making a mid-evening departure . . . The George Hauers and Matt Hammonds harmonizing an old favorite, "Tea for Two" and the latter pair planning the BIG MOVE into their new SH home within ten days or so . . . The Cal Hagstroms w/Frank and Millie Silva.

MAKING INTRODUCTIONS . . . Hostess Beth Hearn and her husband Norman . . . Sara Raymond w/her guest Miss Mary Wallace of the same Piedmont School . . . Rachel and Tyke Enbom, recently ensconced in their new Upper Happy Valley home, the Volney La Barthes from The Uplands w/a crew from the college town.

IN A SAUCY DOTTED SWISS apron, hostess Barbara Graber calling out the "Grab Bag" door prizes . . . First, the lady's watch, a Mother's Day dividend for Jean Mulligan who had JUST left w/Bob . . . Taking home the more masculine "ticker", professor Herb Blumer, and Larry Raymond beaming over HIS luck, a wicker basket cradling a bottle of champagne.

AFTER NINE, guests dispersing in all directions for dinner . . . Going on to THE WILLOWS, a large party that included Linden member Ramona Smith and her medic husband Carl w/their guest Emmarie Holmes, the Vic Grabers, John and Marian Coburn, the Roger Cooks.

OR DID YOU ALREADY KNOW? Don Texdahl showed at the Sleepy Hollow shindig THAT Saturday w/his arm in a sling, the bone break the result of the hard spill he took during the All Stars-49er's game the night before.

The Bob Roths (she is "Mike" for Michaela) returned home last Sunday from a week-long holiday in Carmel, NOW rested and better to face the tedious task of packing up their household treasures for a transfer to the suburbs of Chicago.

Along the salted nuts and sausage circuit.

A STAMPEDE OF SORTS along the salted nuts & sausage circuit always accompanies this time of year when tickets for the traditional Nursery School Dance, Orinda's MOST popular party, get sold w/an added inducement and/or invite to a party preceding this Big Evening Out. For those who in previous years haven't intended hurrying home after the last dance, THIS year you can kick up your heels to the Dixieland Beat of a band that will follow the orchestra at one.

Judging from previous years, tickets would be snatched up even WITHOUT these added gimmicks, but the fun of entertaining and BEING entertained at early gatherings only adds to the gayety of this special soiree to be held this NINTH year on May 25th at Diablo Country Club, the single annual fund-raiser for the school which caters to many of our best-mannered moppets.

THE HOST & HOSTESS ROSTER will be lengthy, so we'll start ahead of time to tell you that the Robert Bartletts of Parkway Court will entertain for a group which will include the Joseph Quinns, Harry Larsens, Jack McCorkles.

Over on Meadow View Rd., the Ralph Withs will host a pre-dinner dance conclave and the Howard Hoyts, Paul and Nancy Mouser, as well as Dee and Bill Seifert are all making plans to gather up their friends in a group before heading for the club.

Ned de Laveaga will join Alysone, who is president this year, in greeting guests early at their home on Moraga Highway . . . Here will be the W. A. Pattersons, Mrs. R. H. Laney, the Henry Harrises, Peter Veitches, the H. Fitzsimmons and the Charles Lohses.

Dance Chairman is Holly (Mrs. Thomas) Fitch and co-chairman for ticket sales are Peggy (Mrs. Godfrey) Gregg, CL 4-3075, and Hilga (Mrs. Gale) DeMartini, DR 6-4717. If you haven't got your tickets yet, HURRY!

High financiers, these femmes!

HIGH FINANCE faced Peggy Gregg early last Saturday morning, when most of the gentler gender aren't up to balancing ANYTHING let alone buckets of bills. But there it was, on her kitchen table, a batch of loose greenbacks and an odd assortment of change and checks brought over by one of the gals who was paying for nine couples to the tune of 11 dollars PER . . . "This check is for the Joneses, and Oh, this is for Jack and Mary, they still owe fifty cents" and so it went. But Peggy, mustering her best Montgomery St. mien and pouring herself and friend an extra pot of coffee finally got all the finances ALL straightened out. This is just a fair example of what usually PLAGUES ticket chairmen, feminine ones, that is.

STOCKS & BLONDES . . . the "stocks" being the tickets to the dance, the "blonde" being one VERY blonde Elaine Ohleyer who EVERY year takes a dozen dance ducats and organizes a BIG PARTY all on her own, w/her spouse's enthusiastic approval, of course! The Ohleyer's daughter Juliette, we might guess, is a nursery school GRAD herself!

AND IF YOU'RE ESPECIALLY BUSY that day, May 25th, you might jot this down. A reminder from Scoutmaster Miles Sutliffe that if you need your silver polished, your floors waxed, your lawn mowered or a quick weeding job, ANY JOB, it's an all-out WORK day, w/no muscles spared for the Boy Scouts of Troop 200. To engage one of the energetic felows, ca Mies at CL 4-2626.

SEQUOYAH COUNTRY CLUB is tomorrow night's setting for the Junior Alliance dinner dance and localites planning to attend will congregate beforehand at the new Altarinda residence of Dr. and Mrs. Alan McDowell . . . Here the guest list incl. the Brooks Gardners, Kenneth Mirovs, Francis Watsons, Glen Heltnes from Hidden Valley, the Richard Johnsons and Gerald Kruses of Lafayette.

TOWN & COUNTRY ASSEMBLY members will trip the light fantastic at Diablo the same evening and among the pre-dance festivities is the cocktail party to be hosted by the Al Rubeys at heir Diablo domicile w/he Harold Keenans of Orinda among the local guests.

This week the Art Center held its annual luncheon at the Paul Handlery home and same day, Wednesday, members of the Orinda Lighthouse held a "Shop for your garden" party at the Owl Hill Court garden of the George Jacksons . . . But as we go to press, Tuesday), we watch w/wary eye the woeful spectacle of heavy black ominous skies and hope it's rained itself OUT by tomorrow so we can bring you a sunny report of these two long-planned outdoor socials.

Incorporation Study Says $415,000 Is Available

Lafayette residents can pick up $415,000 a year to help pay for present government services simply by converting this community of 22,000 people into an incorporated town, Bill Bolce, chairman of the Lafayette Incorporation Study Committee declared recently.

The $415,000 sum available through incorporation was cited by Bolce after reviewing data compiled by the community fact-finding group's revenues and budgets subcommittee.

Headed by Ted Barcelon and Campbell MacPhail, the revenues and budgets subcommittee has been working for two months gathering data from all the governmental agencies concerned, Bolce said.

SERVING ON the committee with co-chairmen Barcelon and MacPhail are Walter Wendt, Happy Valley; Frank L. Paine, Happy Valley Glen; Elwyn Williams, Stanley Boulevard; Glenn Foster, Springhill Road; Dick Lesser, Hidden Valley; Merle Blankenship, Brook Street; Leland Pressler, Sun Valley; Danny Spillane and John Kennedy, St. Mary's Estates.

Bolce declared that the subcommittee has on file written statements from the California State Department of Finance and State Board of Equalization showing that the town of Lafayette, if incorporated, would get back approximately $363,444 each year in tax money.

This amount already is being collected from Lafayette residents annually as sales tax ($137,000), motor vehicle license fees ($142,200), gasoline tax ($80,084), and Lafayette liquor licenses ($4,160).

OTHER REVENUES available to Lafayette if incorporated would amount to an additional $52,000 or more, according to subcommittee files.

These include the $5,000 State Engineering Aid grant to cities, as indicated by the State Controller; fines and forfeitures totaling $15,000, as estimated by the Contra Costa County Auditor-Controller; and approximately $32,000 in business license and franchise revenue.

The latter figure was obtained by checking with the incorporated cities of Walnut Creek, Concord, Los Altos, Fremont and Lakewood.

"Most of the $415,000 in revenues represents money which we already are paying each year in taxes," Bolce pointed out.

"State legislation provides that this money be turned over to the treasury of the city from which collected, but since we are not an incorporated town and have no treasury, we receive none of it."

THE $137,000 sales tax revenue, Bolce stated, is a new factor in considering incorporation, provided by recent state legislation aimed at helping communities which are planning or already have taken steps to incorporate.

Bolce revealed that the work of the revenues and budgets subcommittee completed to date represents only one phase of its study.

"The definite revenues we could count on receiving through incorporation had to be determined first," he explained.

"Now the police and fire, public works and community improvements subcommittees will be able to gauge accurately the funds available for these services, and work out practical, realistic budgets for review by the entire study committee."

Horse Show Will Be Held Sunday

Varied Events Scheduled For Rheem Center Show

With the number of entries far exceeding that of last year, the Second Annual Moraga Junior Horse Show will be held Sunday at Rheem Center.

Starting promptly at 8 a.m., the program of two English events and 18 Western events is expected to continue until around 4 p.m., according to Frank Kerrigan, secretary of the Horse Show.

This year the show is being sponsored by the Moraga Lions Club, which has the active cooperation of the Moraga Senior Horseman's Association and the Moraga Junior Horseman's Association.

INTEREST in the show is keen throughout Central Contra Costa County.

"All proceeds will go to the Moraga Junior Horseman's Association for its arena building fund," Kerrigan points out.

Site of the horse show will be the open field directly across from Clark's Market. This will allow plenty of room for horses, horsemen and spectators.

FOR EACH EVENT, a trophy cup will be awarded for first place, and six ribbons will be presented to the next in line of accomplishment.

Refreshments will be available.

Land for the Moraga Junior Horseman's Association arena and clubhouse was recently leased from the Harold Parkers of Bollinger Canyon.

Kerrigan is vice-president of the sponsoring Moraga Lions Club. In addition to serving as secretary of the show, Kerrigan is in charge of program and trophies.

THE FOLLOWING committeemen are assisting Kerrigan:

Bill Morison, assistant secretary; Gene Lockhart, judge; Judy Turner, ring secretary; Hank Boeger and Roy Gessinger, announcers; Bill Wall, finances; Eva Thune, publicity.

Jack Clark and Bob Bissonnette, refreshments; Virginia Morison and Mildred Silva, advertising; Ken Brown, Jim Cueto and Sam Carr, equipment; Art Fleuti, photographer.

SECOND ANNUAL Moraga Junior Horse Show will be held Sunday at Rheem Center. Ready for the varied program are, left to right, Frank Kerrigan, vice-president of the sponsoring Moraga Lions Club and secretary of the show; Bob Bissonnette, Moraga Lions president and on the show refreshments committee; Harold Coffin (on horse) of the Moraga Junior Horseman's Association, Betty Parker, secretary of the Moraga Senior Horsemen's Association; Peggy Coffin (on horse), of the junior horseman's group and Bill Lance, president of the senior horseman's organization. The two equestrian groups are actively cooperating in preparations. —Sun photo by Mattson

H.S. District Enrollment Seen as 'Ultimate' 9600

(Editor's note: This is the second in a series of articles on the secondary schools in the Acalanes High School District — their problems, program and costs. This article is concerned with rising enrollments.)

—o—

When the enrollment of the Acalanes Union High School District (which presently includes Las Lomas, Acalanes and Miramonte) reaches 3,150 pupils next fall, it will be one-third its estimated ultimate size.

A study of district and community growth by a Stanford research group headed by Dr. William Odell predicts an enrollment of 9600 high school pupils when population in the area reaches "saturation."

The Stanford report for district trustees predicts a total population in the high school district (Walnut Creek, Lafayette, Orinda, Moraga and Canyon) of 155,600 people, with 39,000 homes and an elementary enrollment of 40,800.

THE REPORT estimates that this area will be "saturated" sometime after the 1970's.

"This prediction for ultimate enrollments in the Acalanes High School District is about twice the present high school enrollment of Berkeley or San Jose and is larger than the present enrollment of either Sacramento or Pasadena, and only 25 per cent under the current enrollment in Oakland," observes Neil M. Parsons, Acalanes High School district superintendent.

In 1940, during the first year of district operation, less than 400 enrolled at Acalanes High School.

"People were arguing whether or not the area would ever contain enough pupils for the development of a satisfactory high school program," Parsons recalled.

"EIGHT YEARS LATER enrollment grew to 834; 13 years later, in 1953, it reached 1595.

"Next year, 18 years since its founding, district enrollment will reach 3150 — eight times the original count."

Increasing enrollments have been met by opening two new high schools.

LAS LOMAS in Walnut Creek opened in 1951 with 143 pupils; this fall it is expected to have 1230.

Miramonte in Orinda opened in 1955 with 175 pupils ;this fall it is expected to have 650.

"Enrollment estimates for the future are based on the actual count of elementary pupils now in grammar schools within the district, plus the additional pupils projected on past growth trends reflected in long-term immigration of new residents to the area," Parsons explains.

In the immediate future, according to Parsons, the district faces an increase of approximately 500 pupils per year.

"ESTIMATES of high school enrollment for 1960 range up to 5200, depending on the rate of building development in the area," he says.

"This means a possible enrollment increase up to 95 per cent in the next four years.

"In keeping with the district's policy of 'build only as you grow,' just enough additional facilities are built each year to take care of the next year's known enrollment.

"This eliminates as much as possible the problem of either over-building or being caught with a classroom shortage."

INCREASING enrollments in the past have caused the tax rate to increase, the superintendent points out.

"This trend will continue as long as the district remains basically a 'residential' area without tax assistance from industry, office buildings or other high assessed properties," he states.

"Unfortunately, each new home in the district usually brings more students with it than the assessed valuation of that new home can afford to educate.

"ONE FUNDAMENTAL reason for the tax rate continuing to increase is not simply that pupil population is increasing, but that the pupils are increasing at a faster rate than the assessed valuation of the residential property that pays for their education."

Growing enrollments are 'the' major factor in district costs, Parsons stresses.

(The next article in this series will deal with the standard of education — what it is, what it costs and the alternatives that face the community. — the Editor.)

Dr. James Turre Speaks to Guild At May Meeting

Dr. James B. Turre was guest speaker recently at the May meeting of St. Perpetua's Guild held in the church hall on Solana Drive in Lafayette.

Dr. Turre spoke on obstetrics and gynecology, and after his talk he answered questions from Guild members in attendance.

The first social event of the newly-formed Guild will be a box supper tomorrow evening at the church hall from 7 o'clock until midnight. Members and guests are asked to bring a box supper, china and silver. Coffee and dessert will be served.

Plans for an evening of fun include wine-tasting preceding supper, raffles, bingo and dancing. Tickets can be obtained from Loretta Boyle, AT 4-4142.

On Sunday there will be a Children's Mass and Procession for the Crowning of the Blessed Mother.

First Communion for the children of St. Perpetua's parish will be Sunday, May 26.

IT'S SPRING

In spite of the unpredictable weather, spring activities are on with full force. The end of the year is bearing down on everyone much sooner than expected.

The Aklan staff is busily making final drafts in order to assure yearbook's prompt arrival.

The Blueprint staff is hastily working towards ever - nearing deadlines for the final edition of the year. This final edition involves the most work, for promises are being made that it will be the best yet.

ANNUAL TEA

The Annual Mother-Daughter Tea was, as always, a wonderful success and greatly enjoyed by both mothers and daughter. The theme, "Moments to Remember," was presented in a fantastic story of a typical Acalanes student.

Highlights of the year, including football games, rallies, dances, teas, trips, picnics and almost everything anyone could possibly imagine were remembered through the media of words and clothing.

FASHION SHOW

Phyliss Dail, vice-president of Girl's League, narrated the fashion show presented by the girls in Mrs. Frazier's clothing classes. The models were arrayed in their own handiwork.

Don't forget the Musance tonight at 8:30 in the Acalanes gym.

The Music Department and Dance Group have worked hard to bring the annual spring performance to the Acalanes student body and also the public, which is expressly asked to come and enjoy the excellent production.

Tickets may be purchased for adults at $1 and for students at 75 cents.

BRUBECK QUARTET

Acalanes Students were also given some terrific entertainment at a recent assembly when Dave Brubeck's magnificent quartet played such songs "A Train," "The Song is You" and "These Foolish Things."

Everyone seemed to think it was a great experience to be able to enjoy such fine entertainment at a school assembly.

WEATHER ¾ "HURTS"

Guess I should start out by saying how fed up I am with this bad weather. Flu and colds all over the place, and, as usual, we come in for our shore of it. Here's to sunshine and plenty of it, then maybe we'll all feel good again.

Thanks to all your good wishes (and Mother Nature), I am gradually getting back flat on my feet.

During this seige of mine, a number of good people have joined me in the "hurt" department.

Mrs. Kopp of Rheem Boulevard, a new neighbor, fell on the steps and pulled a couple of tendons in her ankle.

Mrs. Sarah Glasky had a slight disagreement with an escalator and sprained her ankle, and Moraga Fire Chief Al Baitx kicked something too hard and nearly broke his ankle.

The latest to join the ranks is Dale Bradley of Scofield Road, who while playing handball at the Oakland YMCA, was laid low with an injured leg muscle.

Believe me, I can really sympathize. Let's hope this is the end!

WELCOME

Welcome to the new little citizens of our growing community.

First, we have Karla Marie Fredotovich, 8 pounds, 11½ ounces, who was born April 11 at the Stanford University Hospital in San Francisco.

Karala, daughter of John and Carole Fredotovich of 284 Rheem Boulevard, Moraga, has a big sister 20 months old, Karen Louise.

Next to make an appearance is the new son of Mr. and Mrs. Thomas C. Peek of 116 Donald Drive, Moraga. Born April 17 at Alta Bates Hospital, Berkeley, Richard Barlow Peek weighed 6 pounds, 5 ounces.

Number four on the list, he has sister Maude, 4½, and brothers Thomas, 3½ and John, 1½. He'll certainly have lots of company growing up.

Richard's paternal grandmother, Mrs. Maude Niedringhaus of La Jolla, Calif., was here for about three weeks to help keep the household running smoothly.

EIGHT OF THEM

Speaking of babies, imagine Elinor Dickenson's surprise (she's the Moraga postmaster, you know) when she walked out the front door of the Moraga Post Office and found on the porch a box containing eight of them. Baby kittens, I mean. Wonder who could do such a thing, especially to a post office?

On Wednesday Moraga Postmaster Elinor Dickenson and Rheem Post master Bernice Williams attended the state convention of the California Branch of the National League of Postmasters in San Francisco.

Maria Emma Rodriques, daughter of Mr. and Mrs. Joe Rodriques of Munster Road.. celebrated her one-year-old birthday with a party, complete with cake and ice cream yesterday. A big HAPPY BIRTHDAY, to a sweet little girl.

COLOR GUARD

Finals for the Color Guard of the Moraga Junior Horseman's Association were held at the Bill Lance homestead.

The finalists stand as follows: Grand marshal, Jackie Carr; flag bearers, Tod Sanders, Sandy Thomas, Caroline Thune; color escorts, Donnie Franklin, Lee Egland and Shawneen Marrin.

This troupe will lead the grand entry parade at the Second Annual Junior Horesman's Horse Show, which will be held at Rheem Center all day Sunday.

As there has been a terriffic response in entries, we should have a really good show, so try to get there.

Also, let's hope for good weather, for the kids will need it.

Welcome to our newest and latest fireman, Lewis Mussano, who is at present stationed at the new firehouse at Rheem Center.

Lewis resides at 3316 North Lucile Lane, Lafayette, with his wife, Inez, and two children, Cynthia Ann, 2, and Richard Thomas, one.

Well, see you at the Horse Show Sunday.

Moraga, Canyon School Vote WIl Be Today

Moraga School District voters will cast their ballots today on a proposal to increase the district tax rate limit from $1.25 to $1.75 per $1000 assessed valuation.

A simple majority vote is required for passage.

At the same time, the electorate in the Moraga and Canyon School Districts will vote in the annual school trustee elections.

HOWEVER, there is no contest in either the Moraga or Canyon school trustee election. Only candidate for the Moraga School Board is John A. Sanders, incumbent. The Canyon School District's lone candidate is Allen R. Crawford, incumbent.

In each of the two districts, there is only one post to be filled. The present terms of the incumbents expire June 30. Terms are for three years.

POLLS will be open from 3 to 7 p.m. In Moraga the polling place is at the Moraga School. In Canyon it is at the Canyon School.

Moraga and Canyon voters will also cast their ballots for o County Board of Education member, a Ward 4 trustee on the Contra Costa Junior College Board and a member of the Acalanes High School District Board.

Duncan Talks Off With Cup

"The Big Squawk From Squaw Valley" was the title of "Dunc" Duncan's prize and cup winning speech at the May 6 meeting of the Larinda Toastmasters.

Duncan's speech was a speak-off contest with George Sanko, as each had won the cup the same number of times during the past six months.

Ralph Presher and new member Jack Dapper were the other speakers for the evening. Jack gave his "Ice Breaker," which is the first talk given by new members — a self-introduction. Presher's speech was titled "Do it Yourself."

Inter-Club chairman Bill Thaler announced that the meeting on May 20 will be held with the P.I.E. Toastmaster's Club at Casa Orinda at 6:30 p.m.

OIL ENERGY

The weekly energy output of oil in the United States has been estimated to be the equivalent of more than 40 hours work by 22 billion people — which is 10 times the population of the world.

Ground-Breaking At Presbyterian Site This Sunday

Ground-breaking ceremony for the Lafayette-Orinda Presbyterian Church will be held Sunday at 12:30 p.m. at the church site in Hidden Valley.

Present at the ceremony will be Howard Robie, representing the Presbytery; Donald Powers Smith, the architect, and Fred von Guenthner, the builder.

Special recognition will be given to Harold Price, project engineer for the development of the site; the building committee, headed by Bill Edmunds and Ted May, and the Finance Committe, headed by Hal Dornsife.

The choir will sing, "A Mighty Fortress" and the Rev. W. Carl Thomas will speak briefly on "God Is Challenged to Build."

All griends and members of the Lafayette - Orinda Presbyterian Church are invited to attend this ceremony, which marks another step forward in the life of the church.

Parents to See Talent Program

The students of Acalanes High School will present their annual talent show to the members of the parents' club, Monday evening at 8 p.m. in the boys' gym.

The show is under the direction of Bill Freeman, vice-president of the student body. It will consist of an act from each of the student clubs. In conjunction with the above mentioned program, Mr. Richard Hansen of the music department will present the school choral group.

Another feature of the evening will be insallation of officers at the conclusion of a short business meeting. Mrs. John Rinne, junior past president, will be the insalling officer.

Robert W. Hooker Receives Promotion

Appointment of Robert W. Hooker of Lafayette as administrative manager for Industrial Indemnity Company's San Francisco Division is announced by Volney E. Howard Jr., vice president and division manager.

'Mikado' Opens Tonight For Nursery School Aid

Entertainment on a professional level returns to Lafayette Town Hall tonight and tomorraw nights when the Berkeley Light Opera Company presents "The Mikado." Outstanding singers from the Bay Area make up the opera group, which has performed with great success in Berkeley, Oakland and San Francisco's Stern Grove.

The atmosphere of a Japanese tea-garden will surround those attending the two performances, to be given under the auspices of the Lafayette Nursey School. Curtain time each night is 8:30.

Decorator Jacqui Mattiesen has planned a complete transformation of the Town Hall's lobby, as well as the interior of the building, to set an oriental scene for enjoyment of the comic operetta.

A variety of refreshments will be offered during the intermission to delight the spectators, according to house managers Amy Duling and Rose Chattin, who have arranged to have waiters and other attendants attired in appropriate costume. To add to the illusion, kimonaed ushers will seat the audience.

Tickets are available from June Smith at AT3-3012; at Campana's Music Store, Lafayette; at the box office during the hour before curtain time, or from any nursery school member.

Proceeds will go toward the purchase of a new biulding for the school.

Many Alumni Expected At Homecoming

From all parts of California and many other Pacific Coast areas, hundreds of St. Mary's College alumni will return to the Bay area this weekend for class renuions and Homecoming Day festivities Sunday on the campus.

The campus program will begin with Mass at 9 a.m. and end with the traditional Homecoming banquet in Oliver Hall at 5 p.m. Banquet speaker will be alumnus Edwin McInnis, vice president in the Trust Department, Bank of America. Silver and golden jubilee classes of '32 and '07 will be honored at the banquet.

Brother S. Albert, F.S.C, president of St. Mary's, will deliver his annual message at the breakfast following Mass. Robert Athey of Chicago, student body president, will also speak. They will be introduced by Edward C. Massa of Hayward, Homecoming chairman and vice president of the Alumni Association.

National officers and a board of directors will be elected at a general business meeting after breakfast.

Present legislation in Sacramento will be the topic of this year's William R. Lowery educational hour at 1 p.m. Participating in the panel discussion will be State Senators Edwin J. Regan of Weatherville and Robert I. McCarthy of San Francisco. Moderator will be Dr. James L. Hagerty of 1261-28th Avenue, San Francisco, an alumnus and professor of philosophy and world classics at St. Mary's.

Among those serving on the Homecoming committee with Massa are John F. Henning, Spence Dickson, James P. Lang, Warren Jenkins, George Poultney and Calvin Scilacci of San Francisco; John E. Schaeffer of Daly City; Arthur J. Mott and Cyril Gilfether of Oakland; William Garcia, San Jose; Donald DeLong, San Rafael; Virgil Cattalini, San Carlos; Steve Cattolica, Orinda; John E. Mitchell, Hayward, and James McClay, Pinole.

Go to Church Sunday

Lutheran

At St. Paul's Church, Walnut Creek, on the 4th Sunday after Easter, Holy Communion will be celebrated at 8 and 9 a.m., followed by Morning Prayer at 11 a.m. Mr. Shepard Grim, a second-year student at the Church Divinity School of the Pacific, will preach at both the 9 and 11 o'clock services. In keeping with the observance of Youth Sunday throughout the Episcopal Church, the intermediate Choir will sing at 9 and 11, and several young people from the Chi Rho (high school) organization will read parts of the service. Participating will be Grace Conklin, Nancy Hawthorne, and Jeffrey Hurst.

The Rt. Rev. Henry H. Shires, Suffragan Bishop of the Diocese of California, will visit St. Paul's Sunday afternoon at 4 o'clock to administer the rite of Confirmation and to preach. A reception for the Bishop and the 43 children and adults who are members of the Confirmation class will follow the service.

The Rev. Jack D. Livingston, who has served as curate in St. Paul's parish during the past year, has been called to active duty in the Army and expects to assigned to Ft. Lewis, Washington, for 2 years. The Vestry of St. Paul's has granted Father Livigston a two year leave of absence as Associate clergyman and hopes that he will return with his family to Walnut Creek following his tour of duty.

Presbyterian

"Alcoholism—Problems of our Times" is the subject of the Rev. W. Carl Thomas' sermon on Sunday at the Park Theater. Duplicate services will be held at 9:30 and 11 a.m.

Church School classes meet at 9:30 and 11 a.m. at the Lafayette Town Hall and the Legion Hall. A nursery is available for children under three years of age at 1030 Brown Avenue, Lafayette. NOTICE IS HEREBY GIVEN that the Acalanes Union High School District, Contra Costa County, California, will receive bids for the furnishing of all labor, materials, transportation and services for the construction of the various parts of the Las Lomas High School Additions. Bids may be submitted for any or all parts of this project.

Each bid to be in accordance with the plans and specifications now on file with John Lyon Reid and Partners, 1019 Market Street, San Francisco 3, California, where same may be examined and copies obtained upon deposit of Twenty-Five Dollars ($25.00) per set, which deposit will be refunded upon the return of such copies in good condition within five days after the bids are opened.

Each bid shall be made on a form to be obtained at the office of the Architect, and must be accompanied by a Certified Check for an amount equal to an appropriate aggregate of the following amount: (1) Part A, Six Thousand ($6,000.00) Dollars; (2) Part B, Five Hundred ($500.00) Dollars; (3) Part C, Three Thousand Five Hundred ($3500.00) Dollars. This check shall be made payable to the order of the Acalanes Union High School District. Bids must be sealed and filed with the District whose address is 1200 Pleasant Hill Road, Contra Costa County, California, prior to 2:00 P.M., June 6, 1957, at which time they will be publicly opened and declared in the office of the Board.

The above mentioned check shall be given as a guarantee that the bidder will enter into a contract, if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract or to furnish the necessary bonds after being requested to do so by the Governing Board of the Acalanes Union High School District.

The successful bidder will be required to furnish a labor and material bond in an amount equal to 50% of the contract price and a faithful performance bond in an amount equal to 100% of the contract price, said bonds to be secured from a surety company satisfactory to the Governing Board of the Acalanes Union High School District.

Bidders are hereby notified that pursuant to the Statutes of the State of California, or local law thereto applicable, the Governing Board of the Acalanes Union High School District has ascertained the general prevailing rate of per diem wages and rates for legal holidays and overtime work in the locality in which this work is to be performed for each craft or type of workman or mechanic needed to execute the contract, which will be awarded the successful bidder.

Mr. Stork Got Excited About This

You may read of these events in the Stork Club column of The Sun, but Mr. Stork thinks they also deserve mention here. "After all," he observes, "it isn't every day that two sisters give birth to babies less than an hour apart, and in the same hospital.

Mrs. James (Bobbette) Lucas Jr. of 304 La Espiral, Orinda, gave birth to adaughter, Julie Elaine, at 9:30 a.m. May 6 at Alta Bates Hospital, Berkeley. Julie weighed 7 pounds, 6 ounces.

Fifty minutes later—at 10:20 a.m., May 6—Mrs. Lucas' sister, Mrs. John (Eleunore) Twomey of 1966 Magnolia Drive, Walnut Creek, gave birth to a son, Ronald James, also at Alta Bates Hospital. Ronald tipped the scales at 8 pounds, 3 ounces.

Maternal grandparents of each infant are Mr. and Mrs. Gorge Neldam of 304 La Espiral, Orinda, with whom the Lucas' Jr. live. Paternal grandparents of Julie are Mr. and Mrs. James Lucas of 3 Monte Vista Road, Orinda, who now have six granddaughters (no grandsons). Paternal grandparents of Ronald are Mr. and Mrs. Earl J. Twomey of 100 Van Ripper Lane, Orinda.

Dr. E. C. Gerow of Lafayette was the attending physician at both births.

Julie has three sisters—Sally Ann, 8; Phyllis, 6, and Cynthia, 3. Ronald has a 3-year-old sister, Barbara.

The mothers and babies are reported to be "just fine."

The fathers? At latest reports, James Lucas Jr. and John Twomey were in satisfactory condition.

Court Calendar Has No Hearing Set for Blakeman

According to Deputy District Attorney Charles Hemmings, there is no hearing scheduled on the court calendar of May 20 for Attorney Robert Collins to enter his plea for dismissal of the charge against Seth Blakeman of contributing to the delinquency of a minor.

Last month Superior Court Judge Homer Patterson set Monday as the date to hear a plea from Collins that the charge against Blakeman be dismissed on grounds of double jeopardy.

Blakeman had been tried on the charge in late March and the trial declared a "mistrial" by Superior Court Judge Hugh Donovan.

Judge Patterson set May 28 as the date for the new trial, and Collins made the motion for dismissal.

Ralph Junker Dies; Funeral Will Be Today

Ralph E. Junker of 3809 Happy Valley Road, Lafayette, died at Herrick Memorial Hospital, Berkeley, on Tuesday, after a long illness. Funeral services will be held at 1:30 p.m. today at the Little Chapel of the Flowers in Berkeley.

The Rev. W. Carl Thomas of the Lafayette-Orinda Presbyterian Church will officiate at the rites. Private inurnment will follow the services.

Survivors are Mr. Junker's widow, Bernyce; a daughter, Mrs. Marilyn Brandt of Tulsa, Okla.; two sons, Ralph Jr., 14, and Ronold, 11; a sister, Mrs. Irene Lobaugh of Portland, Ore., and his father, John M. Junker of Dayton, Ohio.

A native of Dayton, Ohio, Ralph Junker came to California 45 years ago, and worked for the William J. Burns Detective Agency in San Francisco. Since 1932 he owned and operated the United Service Detective Agency in Oakland. He lived at the Happy Valley address for nine years.

Troop 204

Boy Scout Troop 204 held its annual spring informal dance at the Morris Hunt Slater Cabin May 4.

The dance was preceded by a Greenbar dinner for Senior leaders, officers of the troop and their girl friends at the home of Mr. and Mrs. Robert B. Mossman 3 Middle Road, Hidden Valleyley, Lafayette.

The theme for the dinner and dance was "South Pacific." Responsibility for the decorations was under the guidance of Bill Shurtleff and Tom Williams, with eye-catching and effective results.

Direction of the affair was by Bob Rolley, scoutmaster, with the assistance of the Mothers and Dads Clubs of the troop.

The dance was well attended ad was enjoyed by the boys and their dates.

Young Jacuzzi Returns to Face Federal Charge

John B. Jacuzzi, 27-year-old son of Mr. and Mrs. Candido Jacuzzi of 1239 Upper Happy Valley Road in Lafayette, returned to the United States from Mexico to face a federal indictment for draft evasion in 1951.

He surrendered by prearrangement to Federal Bureau of Investigation agents at San Ysidro, the point of entry near San Diego, early Wednesday morning.

He was arraigned there before the U. S. Commissioner on two charges, failure to notify his Berkeley draft board of a change of address and failure to report for induction into the armed services.

HE WAS immediately bailed out with a $5000 check from his father.

When he arrived Wednesday afternoon at San Francisco's International Airport, Jacuzzi was accompanied by his father, his wife, Margaret, their 11-month-old daughter, Elizabeth, and his attorney.

Jacuzzi originally went to Mexico in 1948 for one year to learn the language, preparatory to establishment of a subsidiary factory in Mexico for Jacuzzi Pump Company of Richmond, of which the elder Jacuzzi is a partner.

He returned to Monterey, Mexico, in January, 1951, to set up the business, leaving the unanswered draft notice behind.

HARD WORK paid off in a thriving modern pump plant in the Mexican city.

According to his chief counsel, Joseph Alioto, Jacuzzi had an application pending to postpone his induction when he left the U.S. in 1951.

"He was led to beileve it would be acted upon favorably. In that belief he went to Mexico.

"When he found out there was a Federal indictment against him, he panicked. He just froze and stayed on the spot. Now he's prepared to pay for that panic," the attorney said.

ACCORDING to Alioto, "He could have stayed there (Mexico) and lived in the lap of luxury. He's decided not to do that. He made a mistake and he's here to do whatever has to be done."

Jacuzzi seemed nervous as he spoke briefly to reporters at the airport.

"I've wanted to come back for a long time. There's no substitute for America," he said quietly.

Dr. Wilent Dies in Napa

Dr. C. E. Wilent, 67, well-known as a chiropractor in Lafayette for 14 years, died suddenly on Tuesday at his home in Napa. He had moved from Lafayette to Napa about a year ago.

Funeral services were held yesterday at Hanford, Calif., with the Rev. Harry Shaner of the Hanford Methodist Church officiating. Burial followed at the family plot in Hanford, in a grave next to that of Dr. Wilent's wife, Charlotte E. Wilent, who died about five years ago.

Survivors of Dr. Wilent are his two sons, Charles Edward Jr. of Berkeley and John of Fresno.

Planners Act On Three Local Controversies

In separate actions Tuesday night the County Planning Commission, at its regular meeting in Martinez, took official steps regarding its recent decisions on three controversial Lafayette land matters.

The commission:

1. Adopted the report of its technical staff recommending no change in its previously recommended denial of Claudio Garibotti's application for rezoning of his quarter-acre parcel on the south side of Wilkinson Lane, from Multiple Family Residential District-A to Retail Business District.

2. **ADOPTED** the findings of its technical staff recommending that only the southern half of 22½ acres of C. L. Spear property in Happy Valley be rezoned from Suburban District (one-acre minimum lot-size) to Transition Residential-Agricultural (half-acre minimum lot-size).

Spear had asked for rezoning of the entire 22½ acres. These 22½ acres are a small part of Spear's holdings.

3. Adopted the findings of its technical staff recommending denial of E. J. Ghiglione's application for rezoning of 147 acres in Happy Valley from Suburban to Transition Residential-Agricultural.

THE RECOMMENDATIONS on these three matters now go to the Board of Supervisors.

County Board of Adjustment denial of K. A. Wise's application for permission to divide a 27,000-square-foot parcel into two parcels of 13,500 square feet each was announced at Tuesday night's commission meeting.

The land, in an R-A zone, is at the northeast corner of St. Mary's Road and Las Huertas Road.

Kiwanis Club Will Be Formed Tuesday Night

Organizational meeting of the new Lafayette Kiwanis Club, which has been in the formative stage the past several weeks, will be held at 7 p.m. Tuesday at Pioneer Village, Lafayette.

The gathering will be a dinner meeting, according to Bud McCarthy, president of the Walnut Creek Kiwanis Club, which, with the Central Oakland Kiwanis Club, is sponsoring the new Lafayette club. Bob Johnson is chairman of the Walnut Creek unit's new-club committee.

Another preliminary meeting—like earlier ones, a luncheon gathering—was held yesterday at Pioneer Village.

NOMINATED last week for the elective offices of the Lafayette Kiwanis Club were Ray Hermann for president, James Ring for first vice-president, Dr. Kenneth Holcombe for second vice-president, Ed Brown for secretary-treasurer and Al Ingalls, Dave Cotton, John Schmidt, Armand Johnson, Bill Clyatt, Cliff Sylvan and Jim Cunningham for directors.

The nominations were offered by the nominating committee at a preliminary meeting at La Maisonette.

ADDITIONAL nominations may be made from the floor at next Tuesday night's meeting, at which officers will be elected.

Darwin Smith, representative of Kiwanis International, wlil be present at the organizational session, according to McCarthy.

Charles Brown of Richmond, Kiwanis district lieutenant-governor, has been aiding formation of the new club.

Carol Gardner Will Present School in State

Carol Gardner, Acalanes junior student, has been chosen to represent her school at the American Legion Auxiliary sponsored Girls' State in Sacramento in June.

Announcement of her appointment was made this week by Mrs. E. Kittredge, girls' state chairman of the Lafayette Unit of the Auxiliary.

Carol, daughter of Mr. and Mrs. H. Gardner of Moraga Boulevard in Lafayette has been an outstanding student active in all school affairs. She is secretary of the junior class, treasurer of the G.A.A., a Spanish honor student and also active in American Field Service.

Selection for the girls' state session was based on scholarship, citizenship, leadership, character and interest in community and governmental affairs.

Twins, Twins, Twins, Twins

Go for your Mendelian textbooks, kiddies.

However long the scientific odds on the subject may be, Mrs. Jeanice Krohn, president of the Contra Costa Mothers of Twins Club, comes from a long line of twins.

The mother of twins, Mrs. Krohn is herself a fraternal twin.

But that's not all.

Her maternal grandmother was a twin. And a sister, Mrs. Becky Price McPherson of San Pablo, has twin daughters.

Red Cross Will Pick New Officers

The annual meeting of Mt. Diablo Chapter, American Red Cross, will be held June 3 at the Walnut Creek Recreation Center.

A buffet supper will be served at 6 p.m. A program has been arranged by Ferrel J. Reilly, entertainment chairman. New officers will be elected at a business meeting starting at 7:30 p.m.

Mrs. Stuart D. Loe, first vice chairman of Mt. Diablo Chapter, is in charge of arrangements.

Dons Score 5-3 Upset At Pittsburg

Acalanes baseballers upset Pittsburg 5-3 Wednesday at Pittsburg, with Steve Jordan doing journeyman's work.

The Don pitcher accounted for all his team's scoring, pounding out a bases-loaded triple in the second to send three men home, scoring himself later in the inning, and bunting home Jack Carman in the seventh frame.

Both teams got five hits and committed three errors.

Pete Roa, the Pirates' moundsman, fanned 11 Don batters and walked only one in going the route.

Legion Council To Pick Officers From Candidates

The Ninth District Council of the American Legion, Contra Costa County, will meet in Pittsburg tonight at 8 to nominate and elect officers. David A. Solari, Post No. 151, will be the host.

At an earlier meeting the following names were placed in nomination:

Commander: Gene Woods of Richmond Post 10; first vice commander: George Barkley of Henry A. McNamara Post 29, Martinez; second vice commander: Dick Luke of Mt. Diablo Post 246, Danville and William Wischemann Jr. of Walnut Creek Post 115.

Third vice commander: Amanda Rice of Walnut Creek Post 115; executive committee: Jim Shank of Lafayette Post 517, Wess Farrar of Walnut Creek Post 115, Tom McKinnon.

Delegates to National Convention are Jack Ahearn, Joe Hammond, Russ Bell and Harry Bramble.

Agents Hear Parmer Speak

Ross Parmer was the featured speaker at the meeting of the Contra Costa County Association of Insurance Agents Monday evening at the El Monte Restaurant in Concord.

Parmer is with the Fireman Fund Insurance Company in San Francisco.

Sheriff's Deputies Save Life of Poisoned Child

Split-second timing of sheriff's deputies Saturday afternoon is credited with saving the life of a two year old Lafayette youngster who swallowed a small quantity of potent garden poison.

The victim, Kathleen Jean Philpot, 3447 Solano Court, Lafayette, was rushed to the new Lafayette Sheriff's department substation about 6 p.m. by her father, Thomas, 34, after she wandered into her house clutching a bottel of poison and crying "it burns daddy."

Satching the crying child from her father's car and putting her in a patrol car, sheriff's deputy Earle Clarke and reserve deputy Earl McCreary rushed her to Kaiser Foundation Hospital in Walnut Creek. Their patrol car reached speeds of 110 miles per hour.

Meanwhile, sheriff's deputy Fred Teuscher alerted the hospital emergency room, where the child's stomach was pumped within seconds after arrival.

Hospital authorities said if deputies had been three minutes later, the poison dose would have been fatal. They estimated she drank approximately one third of an ounce of the garden poison.

She was released from the hospital approximately one hour after emergency treatment. The Philpots have two other children, Robert, 6, and Dennis, 1.

Anderson Called To Navy Service

Seaman Lawrence E. Anderson, 922 Hough Avenue in Lafayette, will report to the U. S. Navy Training Center, San Diego, on June 2, for a two weeks course at the Storekeepers Class "A" school, as his annual active duty for training in the Navy Reserve.

Onderson, who has been in the reserves for two years, is a member of USNR Surface Division 12-7.

Orinda Faces Up to Teenagers' Needs

An excellent start has been made in Orinda toward an adequate program for teenagers.

Under the auspices of the Orinda School District, an expanded recreation program has made big strides forward.

With Frank Isola, physical education and recreation director for the district, in charge, the expanded recreation program is geared to activities of teenagers and adults — but the emphasis is upon the needs of teenagers.

In the short time of a few months, this program has really made notable advances — and there is every reason to feel confident that in the months to come the program will progress still further.

Another facet of the effort to develop a satisfactory program for teenagers is the work by a group of public-spirited citizens to find facilities — specifically, a teenage center — for the youth of the community.

So far, this work has been mainly behind-the-scenes.

Future developments will largely depend upon what properties are available and what funds will be on hand or within reach.

This effort is mainly by the teenage-problems committee appointed in January by Chairman Ralph C. Hall of the Orinda Association's Civic Affairs Committee.

Although the teenage-problems committee has both a youth unit and an adult unit, the problems it is seeking to solve mold the committee into an effective whole.

Stanley Allen heads the adult unit of the committee. Among those serving with him are Isola, James Lewis, Miramonte High School principal; Dr. George Prlain, Jack Biersdorf, R. B. Moore, Mrs. Jean Hoyt, Almont Koepf, Mrs. Arthur Flint and Mrs. Doris Fernsten.

The efforts of the youth unit and the adult unit of the teenage-problems committee are indeed heartening.

These efforts are further proof — if proof were needed — that Orinda is really facing up to the need of coping with the problems of teenagers.

It is particularly appropriate that in both the expanded recreation program of the Orinda School District and the work of the Civic Affairs teenage-problems group the emphasis is upon teenagers.

For it appears that the teenagers — in Orinda as in other communities — are almost the "forgotten" group.

In general, there is plenty for adults to do — whether socially, culturally, athletically or recreationally in some other way.

And there seems to be plenty of activity for the younger children—various organized games, organizations and projects.

But the teenagers — full of healthy energy, restless with desires for fun and companionship — grope, hopefully, in a search for adequate programs and facilities.

We sincerely hope that the Civic Affairs teenage-problems committee will come up soon with a definite and feasible proposal for a teenage center.

And we urge the entire adult community to join in these efforts, so that the young people of Orinda will be able to gather, enjoyably and safely, at a place where facilities are adequate.

Such a center would mean that the young people would have a place of "their own," that their parents could feel at ease and that the community in general could be proud of the achievement.

The Staff Corner

Of Youth and a Committee

By LOU CANNON

("The Staff Corner" is a new feature of The Sun's editorial page and will appear each week under the by-line of a different member of the editorial staff.)

Commenting on the prevention of a near-gang war in central Contra Costa County last month, a deputy sheriff was prompted to remark, "We're not going to have any Marin County here."

This north-of-San Francisco county has been having its share of teenage violence in recent months, but these words were more a symbol than anything else, a symbol of a situation that most Americans have found exceedingly distasteful, a situation that county and city authorities were determined to prevent.

Marin County, it might be said, is really Just Like Anywhere Else. It has its majority of decent citizens and its minority of criminals, its industrious and its lazy, its wise men and its fools. It has its authorities striving to do a hard and often thankless job.

The work of these authorities should not in any way be minimized. They have a job to do. In Contra Costa County, they did that job and they did it effectively.

But, like most people, this reporter can't help feeling that there is more to the "teenage problem" than anything that authorities can do.

WE LIKE TO PASS the buck, throw big and little words around, inveigh for or against Mother, School, Home and Church. And all these institutions have work to do, plenty of work.

Somewhere along the line, the people whom we elect to represent us in Washington, Sacramento and Martinez also have a responsibility and a job.

The other day in the state capitol a group of these people called the Assembly Education Committee did **their** job, too, and did it very creditably.

They rejected a bill called Senate Bill 1839, a bill that would have removed those "subversive and obscene" books from our school library shelves, that would have banned those books that you "couldn't read in decent company."

Pearl Buck, as I remember, was among this group.

Curiously enough, "Marin County" was a symbol in this fight, too. A mother from Marin who led the "battle of the books" in that county pleaded at length, and presumably with eloquence, for passage of the measure.

The State Senate had listened to similiar arguments and, George Miller Jr. notwithstanding, had passed SB 1839. Certainly, these senators believed in what they were doing.

But I think it was the assembly committee that remembered what its job really was, that remembered that as an education committee they were more concerned with education than conformity.

IT IS EASY ENOUGH to get kids to conform. They do it anyway even when you don't wish it, and they conform in all sorts of ways, good and bad.

One of the ways they conform is to join a gang.

It takes a lot more to make kids think for themselves and on their own initiative. Consistent conduct of this sort really IS frought with dangers, dangers that most of us in a democracy believe are very worth the taking.

Those who find the dangers of a free society at all to our liking owe a vote of thanks to Don Doyle and his colleagues, both Democratic and Republican, on that committee.

When they stopped SB 1839, they stopped a symbol as real as Marin County was to that deputy sheriff last month, a symbol that is in some respects a good deal more terrifying.

Which is a long way around the horn.

A long way to say that I'm glad that my kids will someday have the chance to take Huck Finn or The Good Earth off a library shelf.

Some Tips on National Burglary Week Planning

By Pat Pending

National Burglary Protection Week is being especially commemorated in Martinez. Some say the Recorder's Office will issue triplicate birth certificates—each bearing a different name! This will enable any baby, who aspires to be a burglar in later years, to operate without having to go to the trouble of devising aliases!

I'd like to do my part in helping burglars and, at the same time, solve a dilemma for a local merchant.

It seems that he wrote down the combination of his new safe on a piece of paper, placed it inside the vault, and slammed the door shut. He forgot the combination and the safe hasn't been opened for almost a year. He would have reported this sooner except for his embarrassment—and the fact that he hasn't seen his mother-in-law since!

If any of you burglars haven't a job cased and are tired of inactivity, just call me in care of this paper for the name and address.

One major oil company has gone all out. It's plastered billboards all over the county announcing a new gasoline named, I believe, with this week in mind. It is called "Boron" which, spelled backward, reads "No rob!"

MYSTERY SOLVED

The dollar missing from the Recorder's book was sent by a certain gentleman to a friend of his who had no luck while deer hunitng last year. He had promised to send him a buck anytime!

I read recently how someone had stolen a railroad track near Martinez. Now I know why the engineer I interviewed complained about his train bouncing so much!

Two hep local politicians were puzzled as to how to spend their kickbacks. Each bought a Volkswagen for a second car. The next morning one of them couldn't get his car started. He got out, walked to the front, raised the lid, and looked in. He telephoned his friend:

"Last night, someone stole the engine out of my Volkswagen!" he shouted.

"Don't let it worry you!" his pal replied, "I was just starting to pack my gear for a fishing trip and I find I have an extra engine in my trunk! You can have it!"

Does anyone in the Housing Authority know where I can get some free, galvanized pipe? Just enough to reach from here to Lake Mead. I'm trying to cut down on my water bill!

Letters to The Editor

ABOUT PETS

Dear Editor:

We have read with much interest the letters published in the past few weeks regarding stray animals.

The motto on our street seems to be "for every child a pet." If there are four children, then you can expect four pets. One home always boasts at least five cats which attarct all the other strays in town. We have litters of pups and kittens, and the owners are reluctant to part with even one.

I believe all this mess to be a health menace, as the flies in summer are all about us but most particularly where animals roam. In this modern day we insist on two bathroom homes, adequate plumbing, etc: For sanitary reasons.

Yet pets are allowed to create a fly ridden stench on lawns and shrubs and we are forced to accept it as standard procedure. Could a child get away with the same thing or would he be considered delinquent, and would the neighbors want him locked up?

Too many 75-foot lots are being operated as farms. Is a dog or cat really such an asset to suburban living? The days of the good old watchdog are gone forever. Our Police Department is as close as our telephone.

It would seem that our City Council would open its eyes to this intolerable situation and give us a law that will protect non-pet owners, that are really trying to develop a piece of property.

THANKS

Dear Editor:

Public Schools Week, 1957, is past. We of the Mt. Diablo Unified School District want to take time-out to say "thank you" for the wonderful support you have given our efforts, not only in preparation for this week, but always—in our every moment of need.

It is not necessary to tell you how very successful your work made our local observance. Many of you visited one or more of our schools.

You saw.

Without your help the tremendous response we received from the public could not have been attained. You have done a very real service to your schools, and we are grateful.

Will you pass our thanks—or recognition of their services, too—to the other members of your staff who participated with time and effort: Your reporters, photographers, rewrites and the folks of the back shop who so carefully handled our material.

Our staff in the 32 schools and Administration has tried to make the material newsworthy. Sometimes communications failed and we had to resort to "recently:" sometimes initials were lost in the smoke of usual effort; and sometimes we just plain "flubbed" on a tip or a lead.

But you seem to have picked up the slack. At least our clipping books are full, and we practically ran out of register sheets on the nights of Open House at our schools.

WOODS PETERS
Chairman Public Schools Week
Mt. Diablo Unified School District.

DOGS ON LOOSE

Dear Editor,

Please publish more on the restraining of dogs.

Perhaps more people will gain courage and we can organize in order to get an ordinance passed.

I understand from Judge Thomson's office that only by petitioning can we pass the ordinance which will protect us from THE DOG.

We at Eichlers were surveyed for our views on the dog packs fighting at school bus stops, the wrecking of shrubs and trees, et al. I hear that more than 90 per cent of the residents of the tract voted for restraint.

But we have no means of enforcing restraint because the law is not on our side.

We have two animals across the street from which we are allowed the run of the neighborhood. They belong to a local realtor who has no regard whatever for the damage they do to shrubs and the filth they deposit everywhere.

Why, I ask, must we, the neighbors, have to bury his dogs droppings to keep down the flies and to keep our kids from tracking the stuff all over our rugs?

I have no qualms whatever about signing my name, and if we'd all be a little more brave, even to the extent of organizing and petitioning in our various areas perhaps we could get an ordinance passed.

All in favor . . .

(Mrs.) Anne Willmer

SCHOOL TRUSTEES

DEAR EDITOR:

The bond election today—for the purpose of approving the Mt. Diablo Unified School District bonds of $5,500,000 and to request state aid of $6,500,000—has received a great deal of promotion by school administrators, PTA groups, and the press—and rightly so.

But what of the other part of the ballot—that of the election of members to the School Board of Trustees, both district and county? How many people in the Mt. Diablo Unified District realize that a five man team (it could be seven) sets the administrative policies and appropriates all the funds fore some 30 odd schools?

How many people are aware of the fact that only for the past six months has our Pleasant Hill area been represented on our school board? And, unless elected to office Mr. Lavinder's appointnment will expire and we in this area will have no representation.

In the Richomnd District Dads of Mira Vista School undertook a "get out the vote campaign" for the Trustee Election, much the same as Scout Organizations did last November in the national election.

Furthermore, the PTA organization on an impartial basis, invited school board candidates to come before general meetings and express their views and policy intentions.

Could that have been done here, I wonder?

Why not challenge the PTA units in the council to do likewise- It is too late for this coming election, but certainly PTA could start the ball rolling for ensuing elections.

In the meantime, we are being asked to vote in a tremendous bond issue; what do we actually know of the board's policies, and of board members that will be spending our monies? Why not do a series of newspaper articles giving some background on the duties of a trustee's office, plus an insight into the men and women whom we are being asked to elect to these most important positions?

KATHERINE E. DOBLER

(Ed. note: The Sun has published complete statements by area trustee candidates.)

WHAT TO DO?

Dear Editor:

Maybe one of the subscribers to The Sun will have an answer to our problem, our own homeowners association does not.

What can be done to make a neighbor take interest in his home?

He piles everything in his driveway, garbage pails, incinerators, lumber, rusty unused toys, bicycles, beat up jalopies, boxes, and anything else that he cares to dispose of, and doesn't want in the garage because it is too full of junk already.

He never cuts grass, pulls a weed, plants a shrub, paints a door, or does anything to make his home presentable.

If friends rop in to pay us a visit they always remind us that although our property is in excellent shape we would never get a fair price due to the indifferencee of our neighbors. So, we are faced with a problem that we cannot seem to solve.

We feel that someone, somewhere must have faced a comparable situation and can give us some advice. Please don't suggest selling, we love our home. We only wish our neighbor loved his a tenth as much.

SCHOOL ISSUE

Dear Editor,

I object strongly to the threats that appeared in the first paragraph of the Walnut Creek School Tax and Bond story located on the front page of the May 3 issue of the Walnut Creek Sun.

It is a sad day when an issue up for public vote is so weak it can not stand on its own feet and blackmail must be used to try and get public approval.

I seriously doubt the ability of a man who will say, "every class in the District will be on double sessions by 1961 if this issue fails." I have two children in the district schools and shortly will have a third, but on May 17 I will vote "no."

The people that will vote "no" will object to being told—this is what we want and if you don't give it to us we will see that you get chaos in the Walnut Creek School District.

I also object to the Stanford people and the District Office presenting their desires to the people cloaked as a need. Their views are most idealistic for a district that is very short of industirial tax support, low on assessed valuation and contains a high density of children.

I am more interested in education for my children and less interested in their desire to make this a model school district.

Sure, their figures add up. Anyone can take two and two and come up with four. The problem is—take two dollars of tax money and produce two dollars of education the people in the district can afford.

Now is the time to call their bluff and get sound education without being taxed and bonded to death.

Yours truly,
Charles L. Offen

Protection of Children Requires DA Cooperation

By HERMAN SILVERMAN

Leaders throughout this area are becoming increasingly concerned on how to protect our children against sexual perverts.

The first step was taken some time ago by school authorities, adult leaders and law enforcement officials — educating our boys and girls not to get in cars of strangers or accept favors from strangers. Parents, too, have been given materials to present to their children on this problem.

But no longer are we a village. The problem has increased and will continue to grow, as our population rises. With proper education, careful investigation by the law and forceful prosecution by our public attorneys, this whole problem can be kept under control.

Frankly, however, leaders are worried and even baffled at the approach to this problem by the agency we must depend upon — the county district attorney and his staff. Only by aggresive action, fullest cooperation and the ability of our district attorney's office can you be sure that your children will be protected. These factors have definitely been lacking in recent cases of sexual perversion in this area.

PTA and other parent groups, as well as individuals and public officials, are wondering what to do. But there is a growing movement toward action of some kind to assure fullest legal protection of our children. This means prosecution and conviction of the sex perverts, so they will not be allowed to perpetrate their crimes again. At present, there is not enough done to protect the child and the family who are willing to make the complaint. The cases are being fumbled. Anyone with a complaint is discouraged by the district attorney's office from continuing with the case.

Outline of a recent case

I could continue with this discussion at length but I have a statement that I think will clearly illustrate the problem. Here is the outline of a recent case, as it was presented to us:

On ————, my 4-year-old son told me of a sex experience with the 7½-year-old boy. I immediately reported it to his mother, who questioned the boy as to where he'd learned these actions. Painfully, he told his mother the man had given him candy and money to indulge in these sex acts (about 10, he said) with him and had warned him never to tell anyone.

She came to me immediately and told me of it and then she reported it to the sheriff's office. About an hour later a deputy came to talk to the boy, and the boy spoke freely and gave him the details. The mother and boy were then asked to go to Martinez to identify the man, who had since been picked up. They did. The accused man was released in the evening and sent home.

The mother was informed that the man had a criminal record and had been in and out of prison — but not for sex offenses.

At the district attorney's office

The next morning the mother went to the district attorney's office to sign a warrant for the man's arrest and also to have a meeting with a deputy D.A. there. He talked alone with the boy, after a conference with his mother, and the boy wouldn't talk at all. On a second try, just a few minutes later, he talked very little while his mother was present.

The deputy D.A. was discouraging and said it would be a hard case to prove, citing the hopelessness of another current case. He explained to the mother what she should expect in the matter of the ordeals she and her boy would have to face if she should press for a trial.

She decided to go ahead with it.

Right after noon, the man was arrested and the district attorney's office called the mother to come to a hearing at court that afternoon. At the hearing, the boy refused to say a word and the case was dismissed.

The accused man is still in the neighborhood. The deputy D.A. and the judge both told the mother they felt the man was guilty but there was nothing they could do about it if the boy wouldn't say anything. However, the judge warned the accused man he would be watched.

The mother is bitter about the whole thing and does not like to talk about it any more. She is also afraid of repercussions and wishes to move away. Can you protect the privacy of this woman and child in writing about this case?

What do you think about it?

Well, those are the facts of this particular case, as reported by one of the interested parties.

There are other cases — and will be more in the future.

What do you think can be done about it?

Mosaics & Wine Show to Feature Many Varieties

Wines from the palest white to the ruddiest red from California grapes will be sampled at the Valley Art Center's Disonysiac spring festival, "Mosaics and Wine," scheduled Sunday, June 2, in the poolside gardens of Mrs. Kathryn Colin, 1266 Happy Valley Road in Lafayette.

Prominent West Coast artists in mosaic will exhibit, plus promising students of the Diablo Valley who have recently had instruction in the art through the art center's classes, according to J. Gordon Ainsworth, chairman of the benefit event.

The 20 wines to be tasted are being provided by wineries from the sunny Livermore and Napa Valleys and Contra Costa County. Attendance is by invitation only and must be obtained in advance of the party.

Invitations may be obtained from Mrs. Richard Ward, 3380 St. Mary's Road in Lafayette, telephone AT 3-2331; from Mrs. Arthur Wagstaff, Newell Avenue, Walnut Creek, telephone YE 4-8361, and from Mrs. Ainsworth, 73 La Cuesta, telephone CL 4-2191.

Besides well-known San Francisco artists Nikos Bel-Jon and Aotonio Sotomayor and Berkeley's Bella Feldman, local mosaic artists to exhibit include Leon Dinkin, Eleanor Condon and Ruth Howard of Walnut Creek and Mildred Simon and Lyle Lune of Lafayette.

Approximately 30 students of the mosaic art who have attended recent classes sponsored by the Valley Art Center and representing Walnut Creek, Pleasant Hill, Lafayette, Orinda, Danville, Alamo and other communities, also will show outstanding work from 2 until 5 p.m. at "Mosaics and Wine."

Piccones of Concord Hail 50th Anniversary

The Pietro Piccones, residents of Concord for 46 years, recently celebrated their 50th wedding anniversary at the home of Mrs. Angiolina Ferrari, 1875 Clayton Way, Concord.

Mrs. Ferrari is one of four children of the Piccones. The others are Joe Piccone of Concord, Mrs. Mary Morales of San Francisco and John Piccone of Martinez.

Pietro Piccone wed Miss Angelina Fiorito in San Martino, Italy, on April 20, 1907. Four years later, after journeying to the United States and working for a time in an Oakland foundry. Pietro moved to Concord and established a truck gardening business.

The first 'truck" that he used was a horse-and-wagon.

The open house golden anniversary at the Ferrari home featured a gold-trimmed table cloth covered by a sheet cake inscribed with the "50th anniversary."

The gold theme predominated throughout the celebration.

Extending congratulations to the Piccones were: Messrs. and Mmes. Mickey Tobia, Tony Accinelli, John Musso, Joe Bolla, Baci Accinelli, Gus Borba, Louie Cereghino, Victor Lavagnino,, Angelo Cuneo, Peter Rossi, Andrea Moresco, G. Olivieri, Emilio Rossi and oward Argent.

Catherine and Joe Cereghino, Mr. and Mrs. John Piccone and family, Messrs. and Mmes. Walter Thompson, Joe Piccone, A. J. Piccone and family, and Messrs. Tony Fioro, William M. Moen, Tony Ferrari, George Curletto and Gene Scorpino.

The hosts, Angolina and Agostino Ferrari, and Mrs. Mary Morales and her daughter, Frances; Mrs. Rose Piccone and daughter Ann Marie; Mrs. Malfina Piccone and Mrs. Christina Thompson all assisted with the celebration.

Young Lawrences Make Home on Westcliff Lane

At home on Westcliff Lane, Walnut Creek, are Mr. and Mrs. Stephen Lawrence, after a honeymoon in Northern California.

They were married May 5 in St. Mary's Church, Walnut Creek, after a romance which began in high school days.

Father McLaughlin conducted the rites, attended by members of both families and friends. .

The bride is the former Barbara Elliott, a graduate nurse now employed in Walnut Creek. Her parents are Mr. and Mrs. Inman Elliott of 3383 Freeman Road, Walnut Creek.

Stephen's parents are Mr. and Mrs. Paul Lawrence of 2349 Walnut Boulevard. He is in the meat business with his father.

Best man at the wedding was Stephen's brother, Dennis, and ushers were James Klick, Robert Gorman, Claude McPhee and Vern Osborn.

Mrs. Richard Elliott, sister-in-law of the bride, was the matron of honor, and attendents were Mrs. John Kirkland, Miss Joan Lombardo and Mrs. Clayton Southard.

The new Mrs. Lawrence wore a gown of imported chantilly lace, nylon tulle, with scalloped neckline and long pointed sleeves and scalloped lace panels on the skirt.

Newlyweds Live In Lafayette

Newlyweds Mr. and Mrs. Richard Nardello are temporarily making their home in Lafayette.

The bride is the former Diana Pettas, daughter of Mr. and Mrs. Dan Pettas of 3675 Happy Valley Road, Lafayette. The groom is the son of Mrs. Angelo Paparelli of 3654 Walnut Street, Lafayette.

They were married in a civil ceremony in Reno April 14. Mr. and Mrs. Paparelli accompanied them.

Following the ceremony, the newlyweds went on a honeymoon at Lake Tahoe.

After their return from the honeymoon they were honored at a reception May 5 at the home of the bride's parents. Attending the reception were about 100 guests.

A graduate of San Francisco Junior College, Diana works in an office in Oakland. Richard works as a machinist in Oakland.

Marie Peacock To Wed Airman

Mr. and Mrs. James Oliver Peacock of 1973 Helen Road, Pleasant Hill, announced the engagement of their daughter, Miss Marie Peacock to Airman second class William Robert Popp Jr., of the U.S. Air Force.

The bride-elect will graduate in June from Pleasant Hill High School. Her fiance, son of Mr. and Mrs. W. R. Popp Sr. of Wisconsin, is stationed at Parks Air Force Base.

The young couple plan to exchange wedding vows on August 31 in the Church of Jesus Christ of Latter Day Saints in Walnut Creek. Following a honeymoon trip to Wisconsin, they plan to live in Pleasanton.

Sorority Elects Officers; Plans Fashion Show

Walnut Creek's Alpha Lambda of Omega Nu held election of officers at a business meeting at the home of Mrs. Edward Slater, 2915 Ponderosa Drive, Concord, May 7.

Officers are President Mrs. Walter Htuchinson of Concord, First Vice President Mrs. Robert Whalen of Walnut Creek, Second Vice President Mrs. James Coleman of Walnut Creek, Corresponding Secretary Mrs. George Anderson of Lafayette, Recording Secretary Mrs. Ralph Hughes of Walnut Creek, Treasurer Mrs. George Irwin of Lafayette, and Guard Mrs. Robert Hansen of Concord.

Officers-elect will be installed at the last business meeting in May.

The principle discussion concerned final plans for the benefit dessert fashion show to be held at the Pioneer Village, Lafayette, on May 25.

The fashion theme will be "Parisian Potpourri" with women's fashions from Benioff's and men's fashions by Grodin's.

The public is invited. Reservations can be made by calling Mrs. Walter Hutchinson, MU 2-2104.

The evening concluded with a unanimous agreement that the Mother-Daughter brunch held at "Chubby Humble's Pioneer Inn," Clayton, May 5, was a success.

Board Members Given Tea Party

Rose Circle Has Business Lunch

The Rose Circle met yesterday at the home of Mrs. Alma Cassaurang of 413 Doulton Court, Pleasant Hill.

There was a luncheon, business meeting and salé.

One of the Circle's projects is supplying towels for treatment tables at the Mt. Diablo Therapy Center.

Auxiliary is Formed for 1918 Veterans

An Auxiliary to World War I Barracks 807 of Concord was recently instituted. Officers for the coming year were installed by Maxine Aldridge of Oakland Auxiliary to Barracks 251.

The following were elected to serve for the year: President Viola Dorazzio, Senior Vice President Lola May Armstrong, Junior Vice President Mildred Carlson, Chaplain Hazel Jordan, Pat. Inst. Eleanor Hinkson, Conductoress Evelyn Gatto, Guard Nellie Alpers, Secretary Mary Riccobueno, Treausurer Grace Neinburg.

All wives, mothers, sisters or daughters of World War I veterans are eligible to belong, since it is not necessary to have seen foreign service.

The program of members is to secure for their membership the same treatment and benefits accorded Civil War, Spanish War and veterans of World War II.

They are working to increase the pension benefits now being paid to any veterans of World War I or their widows, in accordance with increased costs during the past several years.

A meeting of the Auxiliary was held Monday. A pot-luck dinner was held jointly with the Barracks at the Concord Veterans Bldg.

Panhellenic Will Meet Next Friday

Representatives to the Contra Costa Panhellenic Group will meet next Friday at 2 p.m. at the home of Mrs. Fred Seulberger, 3808 Happy Valley Road, Lafayette.

Representatives from all college sorority alumnae groups are invited.

Any new representative may call Mrs. Hans Beetz of Lafayette, secrtary of the group, or Mrs. Seulberger for information.

There will be a report at the meeting on the group's orientation tea for graduating seniors, which was held in April. There will also be discussion on fall rushing.

Garden Group Will Take Tour

Another bus trip will be conducted by the Garden Section en's Club, Mrs. Harry A. Hanson, chairman of the Lafayette Wom- Tuesday, leaving at 11:20 a.m. for lunch at Pland's in Oakland, followed by a conducted tour of the Botanical Gardens, located behind the University of California Stadium in Berkeley.

Beautiful rare plants, many in full bloom, will be observed by the group.

University Women Form New Section

The Lafayette Contemporary Problems Section was formed this month by the Walnut Creek Branch of the American Association of University Women.

Through this section, AAUW members living in Lafayette will be members of the Walnut Creek Branch, but will be able to work constructively on purely local projects such as the new Lafayette library.

The first meeting of the group will be held Monday, at 8 p.m. at the home of Mrs. L. L. Clark, 1075 Laurel Drive, Lafayette.

This will be a get-acquainted meeting to be followed by a coffee hour. Projects of interest to the group will be outlined and a plan for the year's work discussed.

Women in the Lafayette area who are interested in joining the group, and who qualify for membership in the American Association of University Women are invited to call Mrs. K. F. Heuer, section chairman at AT 3-6584 or Walnut Creek Membership Chairman Mrs. John Strong, YE 4-7178.

"The Job of the School Trustee" will be discussed at the May meeting of the Education section of the Walnut Creek Branch.

Mrs. Robert Adams, school trustee from Lafayette, Mrs. D. C. Yeager, school trustee from the San Ramon Valley Union High School District, Mrs. F. Loveridge, trustee from the Mt. Diablo Unified District and Mrs. George Madsen of the Walnut Creek School Board will be speakers.

The meeting will be held Wednesday at 8 p.m. Hostess will be Mrs. D. C. Yeager, 1660 Ridgewood Road, Walnut Creek

Concours d'Elegance Set For Diablo Country Club

The fourth annual Concours d'Elegance, incorporating all of the colorful pageantry traditional with the showing of 100 superbly and beautifully maintained automobiles, will be staged at Diablo Country Club on Sunday, May 26, under the joint sponsorship of the Branches of the Children's Hospital of the East Bay and Sport Cars Unlimited.

According to Mrs. Frank W. Rhode of Sport Cars Unlimited, chairman of the Concours this year, the cars will be exhibited on the practice fairway and arranged in three categories including antique, classic and foreign makes. Here, the spectators will have the opportunity of viewing the outstanding autos at close range and meet the owners, who will be on hand to answer questions pertaining to their prize-winning entries. Assisting Mrs. Rhode will be Mrs. Francis T. Smith of Sycamore Branch, who heads the committee of Branch members working on the 1 to 5 p.m. event.

An added attraction will be the array of 50 attractive Branch members who will model fashions from Roos Bros. simultaneonsly with the showing of the magnificent cars as they parade one-by-one. Highlighting this 2 p.m. feature will be the presentation of a ribbon and dash plaque souvenir to the driver of each car by a fashion model as they arrive at the stage area.

Commentators during this display will be Mrs. Lloyd Truman of Redwood Branch, for the fashions, and Peter Abensheim, known to thousands of television viewers as Captain Fortune of KPIX fame, for the automobiles. Assisting with this phase of the program will be Frank W. Rhode of Sport Cars Unlimited.

Among the cars to be shown from Contra Costa County are a 1917 Chalmers Touring owned by Duane Horner of Richmond; a 1923 Doble Steam Roadster owned by Bernard Becker of Walnut Creek; a 1924 Pierce Arrow Roadster owned by Richard Normand of Orinda; a 1928 Ford Sedan owned by Mal Staley of Walnut Creek; a 1937 Bugatti Sport Coupe owned by Dr. George Kerrigan of Orinda.

A 1956 Jaguar XK140 Roadster owned by Richard Botto of Orinda; a 1953 Jaguard XK120 Coupe owned by Owen Owens of Richmond; a 1956 Mercedes-Benz owned by Jack Schroeter of Lafayette; a 1957 Volvo Sedan owner by James S. Hokanson of Concord; a 1956 AC-Ace Roadster owned by Mrs. Lou Keller of Martinez; a 1937 Jaguar SS100 Roadster owned by Lou Keller of Martinez; a 1954 Siata Spyder Roadster owned by Mrs. Isabel Marcellini of Lafayette; a 1956 Simca Convertible owned by Dr. Adolph Segan of Orinda; a 1954 Edwards Sport Convertible owned by James Walsh Jr. of Lafayette; a 1957 Goliath Station Wagon owned by John S. Cheredes of Martinez, and a 1956 Mercedes-Benz Sedan owned by Jack Schroeter of Lafayette.

Also among the cars to be shown will be a 1929 dark green and black Pierce Arrow Touring, a 1917 Cadillac Touring, a 1906 Cadillac Touring, a 1928 Willys Knight Sedan, a 1937 Auto Union Horch Cabriolet, a 1954 Austin Martin DB2 Drophead Coupe, a 1956 Anglia ivory and blue sedan, a 1956 Morgan Plus-4 Roadster, a 1955 Cunningham C3 Vignale Convertible, a 1956 Lanvia Spyder Roadster, a 1956 Volkswagen Convertible, Mercedes-Benz 300 SL Sport Coupe, a 1957 Triumph TR-3 Roadster, a 1948 MG-TC Two-seater, and a 1929 Duesenberg Convertible.

Assisting with committee posts are Mrs. H. B. Bertillion, Mrs. Fred J. Hawkins and Mrs. Virginia Taylor, members of the Concours committee; Fred J. Hawkins, activities chairman for Sport Cars Unlimited; Mrs. Charles F. Robie of Blossom Branch, program editor; Mrs. Thomas MacBride of Muir Branch, program sales; Mesdames Ray MacAllister of Palm Branch, Robert B. Ellis of Coral Branch, oJhn R. MacGregor of Chinquapin Branch, and Robert Warner of Cottonwood Branch, advertising; Mrs. George E. Thompson of Cypress Branch, staging; Mrs. Clyde M. Diddle of Hill Jr. Branch, fashion show coordinator, and Mrs. George E. Saxe of Sycamore Branch, ticket chairman.

Tickets for the hospital benefit are $1.50 for adults and 50 cents for children. They may be purchased either at the gate, or from Branch members, from members of Sport Cars Unlimited, or from the Office of the Branches, 731 52nd Street, Oakland.

Flower Ball Tomorrow To be Lavish

Birds and bees will set the motif for the sixth annual Flower Ball at the Castlewood Country Club tomorrow.

Mrs. Donald Sterns and her decorating committee have lavish plans for the decor. Large branches entwined with mimosa and attracting birds and bees will adorn the tables. Large oriental bird cages and mobiles will be used.

Reservations are being received by Mrs. John Gallaher for this Contra Costa Medical Auxiliary event. All proceeds will provide nursing scholarships for Contra Costa girls.

As the guests arrive they will be greeted by the hostesses for the party—Mesdames Lee Lorenzen, Alan Ory, Roland Davies, Irving Fine, Gene Coburn and Lyle Powell.

Then before dining and dancing to the music of Henry Gallagher's orchestra, boutonieres and corsages will be passed by Mesdames Robert Robinson, John Hutch, Peter Kunkel and Franz Wasserman.

Mrs. Charles Hart is the general chairman.

BPW Installs New Leaders For 1957-58

Mrs. Scotty Pencovic of Acalanes Avenue, Lafayette, was installed as new president of the Mt. Diablo Business and Professional Women's Club on May 4 at the El Nido.

She will direct the club activities during the 1957-58 term, replacing Dorothy Mullong.

Her officers are President-elect Junene Mivelaz, Recording Secretray Hildegarde Brumbaugh, Corresponding Secretary Alvina Lindsey, Treasurer Jean Cranford and Parliamentarian Dorothy Mullong.

Outgoing officers include Recording Secretary Vany Knerr, Corresponding Secretary Genevieve Bayley, Treasurer Lillian Luke and Parliamentarian Claire O'Neal.

The installation was under the direction of Margaret Gunderson, president-elect of the Bay Valley District.

A sure way to keep your clothes from developing a musty smell when you are traveling is to place an unwrapped bar of soap in your suitcase.

Meet to Include Mexican Dinner

The Orinda Branch of the American Association of University Women will hold its general meeting on Wednesday at 7 p.m. in the Glorietta School.

This is to be a gala evening with a Mexican dinner, and entertainment by Mexican singers and dancers.

During dinner Umberto Sandoval, a Mexican tenor from Guadalajara, will sing, accompanied by a Mexican guitarist.

The business of the evening will be installation of new officers: Mrs. F. A. Leibold, president; Mrs. J. C. Roberts, first vice-president; Mrs. F. A. Chapple, second vice-president; Mrs. J. L. Goldeen, recording secretary; Mrs. E. W. Hughes, corresponding secretary and Mrs. L. B. Harmon, treasurer.

Dorothy Mutnick, former president of the Walnut Creek branch of AAUW, will be installing officer.

Sunny Schmidt, chairman of the Spanish section of AAUW, is general chairman for the dinner.

Assisting her are committee heads Ithira Riner, reservations; Trudy Cook, table setting; Charlotte Chapple, decorations; Ramona DuBois, publicity; Helen Trescony, entertainment; Elsie Wale, cleanup.

Harry Hansons Feted on 40th Anniversary

A surprise outdoor barbecue party honoring Mr. and Mrs. Harry A. Hanson of Walnut Creek on their 40th wedding anniversary May 5 was held at the home of their daughter, Mrs. Carson A. White, at 31 Magnolia Court, Walnut Creek.

Mr. White and son Charlie also greeted the guests from Oakland, Mr. and Mrs. Ellis Hanson, Mr. Hanson's brother and sister-in-law; Mrs. Emily Bayley, his cousin, and her daughter and family, Mr. and Mrs. Wallace Fisher, Karen and Daryl.

The happy couple are planning a trip to Hawaii in August on the Matsonia to visit the beautiful garden isles.

They are both active members in garden groups including the Pleasant Hill Garden Club, and Mrs. Hanson has been chairman of the Lafayette Women's Garden Section for the past two years.

Concert is Tomorrow At Acalanes

Diablo Valley Choral will present a concert program tomorrow at 8 p.m. at the Acalanes High School under the direction of Nico D. Snel.

Snel, a graduate of the Conservatory of Music in Amsterdam, Holland, studied with Fred Roeska, noted European conductor. In his native Holland, Snel has directed professional light operas and concerts.

In the United States' his home for the last eight years, Snel has directed several choral groups, one of which is the celebrated Mormon Male Chorus.

He is presently serving as Stake music director for the Berkeley Stake of the Church of Jesus Christ of Latter-day Saints.

Mrs. Donald D. Daniels, talented piano accompanist for the choral, was a music major at Mills College and the University of California. Mrs. Daniels is also adept at playing the organ. This is her second year as accompanist for the choral.

Tickets for the concert are available through choral members.

Tau Nu Chapter Fetes Mothers

Members of Tau Nu Chapter of Beta Sigma Phi entertained their mothers and guests at a Mother's Day luncheon at El Nido last Saturday.

A corsage of yellow roses was presented to each mother. Arrangements for the luncheon were made by Nancy Schrader and Shirley Sherman.

The last regular meeting of the chapter for this year was held Thursday evening at the home of Rinette Torres. Jacqueline Abraham was co-hostess.

The program was presented by Jan Webster, who spoke on "Painting" and "The Printed Word and Your Life."

Installation of officers for next year will be held at a dinner meeting at Orinda Willows tomorrow. Members' husbands will be guests.

Officers to be installed are Sally Laidlaw, president; Sylvia Dorland, vice-president; Bobbie Townsend, extension officer; Sue Williams, recording secretary; Joan Iaconis, corresponding secretary; and Juanita Bradley, treasurer.

The first regular meeting for next year will be held in September. Monthly social get-togethers are planned for the summer.

Raggedy Anns Present Check

Members of the Raggedy Ann Chapter of the Children's Home Society held a meeting April 23 in Oakland at the Children's Home.

Mrs. Roy Price of Alamo, president of the Raggedy Raggedy Anns, gave a check to Mrs. A. H. Hickey Jr., Northern California director of chapters and auxiliaries.

The check represented proceeds raised from the "Candy Heart Ball" held in February.

Cancer Crusade Reaching Goal Says Dr. Reinke

Dr. A. R. Reinke, president of the American Cancer Society's Contra Costa County Branch happily reported on its most sucessful educational and fund raising effort to date. "We expect to announce soon that we have reached our goal," he said.

Contributions are still being received at Branch headquarters, 2363 Mt. Diablo Blvd., Walnut Creek, and by local chairmen, Dr. Deinke said. The drive which included the free distribution of educational literature about cancer as one of its main objectives, reached its peak the last week of April when some 7,000 volunteers throughout the county participated in a door-to-door canvass with a $50,000 goal to collect from residents.

"AT THIS POINT, 12 out of 18 local areas set up for the campaign have already exceeded their quotas," Dr. Reinke said.

Dr. Roy Goranson and Charles Reed, Danville and Alamo campaign chairmen reported a total of $2,498. This exceeds the 1956 contributions by 250 per cent, they pointed out.

In Lafayette, Mrs. Julian Stern and her volunteers tallied $3,600 to top the goal of $3,100 and to better last year's record by 75 per cent.

Orinda chairman, Mrs. Forest Hill, has reported a total of $3,875 to date. The fund goal was $3,500.

Pacheco, under the direction of Mrs. James O. Cobb, was the first Diablo Valley area to complete the campaign after collecting $165 to top a goal of $150.

"Gregory Gardens is well over the top," according to Mrs. Earl Malone. "With a quota of $1,200, we are pleased at the response in our area which contributed $1,455, the best performance ever in Gregory Gardens."

Mrs. Ernest Marchi, Walnut Creek, made this prediction. "We have $5,300 toward our goal of $5,500," she said, "and we confidently expect to reach our quota within a week."

Pleasant Hill has only $250 to go in order to reach the $1,500 quota accepted by chairman Mrs. Gene Pleau.

Mrs. George Cavazza, Concord chairman, was optimistic over chances of reaching the $7,000 goal when final mail returns are counted, she said. To date, $6,536.50 has been contributed by Concord residents.

"The count so far is $45,791," he stated. "That leaves less than $5,000 to go and we are confident that this amount will come in from generous donors who have not yet mailed in their contributions.

DIABLO VALLEY CHORAL will present its annual spring concert tomorrow night at Acalanes High School. Looking over some sheet music in preparation for the event are, left to right, Mrs. Roy Haight, general chairman of the concert; Mrs. Philip Fletcher, publicity chairman for the event; Nico D. Snel, director, and Mrs. Oren Fulghum, president of the Diablo Valley Choral. The concert is sponsored by the Contra Costa Lions Clubs, with the purpose of raising funds for a Diablo Valley Blind Center. —Sun photo by Mattson

Sportsmen Back Fishing in Final Reservoirs

The Walnut Creek Sportsmen's Club is supporting S. C. Masterson's Assembly Bill 11 and Senator Stephen P. Teales' Senate Bill 34. Fishing can be done in reservoirs without changing the taste and quality of water," say members.

"We recognize the fact that EBMUD has one of the finest systems and if there was doubt that fishing in the terminal reservoirs would change this quality we would not support the bills," they said.

"The club feels that people have been fishing in the same waters that are stored in reservoirs for the past 50 years. The only difference is that the water comes through concrete pipes for storage in our reservoirs to be treated and filtered as needed.

"All of the major cities who pipe their so called pure mountain water to the reservoirs, would hesitate to drink this water before filtering and treatment, simply because it is not pure enough for humans."

Realtors to Attend Talks In Sacramento

A delegation from the Contra Costa Real Estate Board will attend an industrial conference, next Friday at Sacramento.

Jesse (Nick) Carter will head the group, which includes R. E. Wadsworth, Ted Schreiber, Ken Richardson, King Parker Jr., and others.

They are members of the new industrial committee that has been formed to bring more industry to the central county area.

Red Sox, Gophers Win First Games

Rain washed out two of last Saturday's Little League openers at the Concord park on Galindo Street, but not before the Red Sox of the major league had beaten the White Sox 5-4 and the Golden Gophers taken the measure of the Indians, 16-12, in a minor league game.

Both games were American League contests.

THE RED SOX made only two hits off the deliveries of White Sox hurler Bob Armstrong, who struck out 17 batsmen, but tallied four runs in a bad White Sox third inning.

Winning pitcher Val Snow allowed six hits and got one of his team's safe blows.

The Golden Gophers had a six run and a five run inning en route to their victory while the Athletics also came up with two three-run innings and a four-run frame.

Mike Bradley had two hits for the Gophs.

Acalanes Victor in DVAL Track Meet

Don Cindermen Post Six 1st Places at Las Lomas

Acalanes High School thinclads ran, jumped and hurdled true to form last Friday as they piled up 97 points to win six of thirteen first places and the Diablo Valley Athletic League's Contra Costa Division track meet at the Las Lomas oval in Walnut Creek.

The Dons finished well ahead of second place Pittsburg with 64. Mt. Diablo's defending champions were third with 48. Behind the Red Devils was Las Lomas with 18, Antioch with 10 and Pleasant Hill with 9. Neither Pacifica nor Miramonte could register a point.

THREE MEET records went out the window during the day. Art Dalbey of Las Lomas cracked the 10-year-old high jump mark set by John Henry Johnson of Pittsburg when he cleared the bar at 6'-1". Pittsburg's Jesse Lea posted a 1:57.1 in the 880-yd run to eclipse the old mark, set by Jimmy Briggs of Pittsburg in 1952, by 1.1 seconds. George Hearne's 12'-3" pole vault for the Dons topped the old mark of 11'-10".

The Dons' Ernie Fox was a double winner in the two hurdle events, turning in 15.2 in the lows and 20.0 in the highs.

Dennis Lockett, Pittsburg's ace sprinter, also took home two blue ribbons when he ran the 100 in 10.4 and the 220 in 22.1.

In the Bee Division meet, Miramonte's Dixon Farmer took top individual honors for the day with three first places: in the 70-yd hurdles, the 150-yd dash and the high jump.

Willie Coston of the Pirates posted wins in the 75-yd dash and the broad jump.

PITTSBURG TOOK the junior section meet almost as handily as the Dons did the varsity competition, piling up 86 points. Their nearest opponent was Antioch with 48. The Matadors were third with 43½. Behind them were Mt. Diablo 27, Acalanes 23, Pacifica 12, Pleasant Hill 4 and Las Lomas 2½.

Three new meet records went into the books of the Bee Division, and three other marks were tied by the junior cindermen.

Farmer's 15.1 in the 150, Lawson's 134'-2" for Pittsburg in the discus and Mac Enz' 36.3 in the 330 for Antioch will be the new marks to shoot for. Farmer also tied 70-yd high hurdles mark in 9.2, Costan's 7.9 in the 75 tied the current record, and Reeves of Antioch tied the 120 low hurdle mark in 13.9.

Varsity meet results are as follows:

100—Lockett (P), Davis (AC), Adams (LL), Smith (MD). Time: 10.4.

220—Lockett (P), Davis (Ac), Adams (LL), Brown (MD), Pilcher (Ac). 22.1.

Relay—Antioch, 45.3.

Devil Nine Ekes Out 4-2 Victory Over Las Lomas

The Red Devil nine from Mt. Diablo continued their winning streak as they edged out Las Lomas by a 4-2 count at the Knights' diamond Tuesday.

It took some tight playing to do it, however, as the contest went 10 innings before the Devils managed the win.

The game, played in an intermittent drizzle, was a pitching duel between the Devils' ace moundsman, Rod Atnip, and Las Lomas' Don Hopkins.

Both men pitched shutout ball for 3½ innings, with the Knights breaking the scoring column in the bottom of the fourth when third baseban Bob McDougall singled to score left fielder Roger Cowell from third. Cowell had walked and reached third on an overthrow.

THE KNIGHTS posted another tally in their half of the fifth. Hopkins singled. Rightfielder Joe Sibley flew out to left. Shortstop Bob Morris hit a grounder down toward third and Diablo's third sacker, Verl Sidwell whipped the ball to second, trying to force Hopkins.

All hands were safe when Devil shortstop Art Paragament dropped the throw. Center fielder Doug Potter flew out. Cowell then lifted a blooper over second which looked like the third out. Diablo's Bill Marshall dropped the ball, however, and Hopkins scored number 2 for the Knights.

With Hopkins twirling good ball those two runs looked good, but not for long.

In the top of the sixth the Devil's first sacker, Dick Bolcerek, led off with a single. Catcher Dave Stafford punched another safety over second, and there were men on first and second. Paragament advanced both men with a neat sacrifice bunt. Sidwell then stepped into the batter's box and singled, scoring both runners and tying the score.

HOPKINS tightened up after walking Marshall and retired the Devils without further damage.

The Knights almost sewed up the game in the bottom of the seventh when Hopkins led off with a triple.

Atnip got the next man out. With one out and a man on third, the Knight put the squeeze on. Morris, the batter, missed the pitch, but so did catcher Stafford. Hopkins barreled on toward the plate, but Stafford recovered the horsehide in time to tag the Knight runner before he could score.

Neither team could do much in the first two overtime frames.

Paragament drew a walk to lead off the Devils' half of the 10th. Hopkins drew himself up at this point and fanned both Sidwell and Marshall.

ATNIP KEPT his team's hopes alive with a single. The next Mt. Diablo hitter, Jones, had two strikes on him before he found a pitch he liked.

He promptly belted the ball to deep rightfield and Paragament and Atnip scurried home, making it 4-2.

The throw-in from right found Jones heading for third. When Dodge let the throw get away from him, Jones rounded the third sack and headed for home. Dodge recovered the ball and rifled it to Hopkins, covering home, who tagged Jones out to end the Devils' scoring.

With the two run lead boosting him, Atnip shut out the Knights in the home half of the 10th. And that was the game.

Both pitchers went the route, Atnip allowing only six Knight batsmen to hit safely and Hopkins being touched for seven safeties.

The game saw eight errors being charged in the field, Las Lomas collecting five of them and the Red Devils three.

Diablo Trounces Vallejo Swimmers

Mt. Diablo concluded its dual meet swimming season May 8 with a 57-20 victory over Vallejo at the Vallejo pool.

The Red Devils captured all the first places but one en route to their victory with Ted Tahira leading the way with a double victory in the 100 yard breaststroke and the 100 yard freestyle.

Tahira's breaststroke time was 1:10.6; in the freestyle he recorded a 1:08.

Other Mt. Diablo winners were Kirk Bowman, Bill Harvey, Warren Moore and Charles Foreman. The Red Devils captured both the relay events.

Only winner for Vallejo was Bill Allen who captured the 100-yard individual medley.

Don Swimmer Cracks Two; Las Lomas Wins 'B' Title

George Harrison cracked two more national swim marks at the North Coast Section swimming championship meet held Saturday in Santa Clara, carrying his Don teammates into third place in the Varsity Division with 32 points.

The Dons were barely edged out by Campbell with 34 and Menlo-Atherton with 33.

Harrison pared 3.6 seconds off the national record in the 100-yd. breaststroke when he won the event in 56.4 seconds.

In the 150-yd. individual medley the Acalanes natator was timed in 1:27.6, which shaved 3.8 seconds from the previous mark.

Las Lomas tankmen took the title home to Walnut Creek in the Bee Division with 36 points, Jack Strand setting a new meet record of 55.2 in the 100-yd. freestyle race.

Local swimmers fared better in the junior division. Miramonte garnered 11 points, Acalanes 8 and Pleasant Hill 5.

In the varsity division only Mt. Diablo could get into the scoring column, with four points as their 200-yd. medley relay team of Bill Harvey, Jimmy Zuur, Kirk Bowman and Warren Moore placed fifth in their race.

Other local swimmers who placed in the varsity competition were:

Corky Kiesel, (Acalanes) 2nd in 50-yd. freestyle; Bill Freeman, (Acalanes) 2nd in 200-yd. freestyle; Joyce, Robie, Ewell and Howard, (Las Lomas) 3rd in 100-yd. medley relay.

Strand, in addition to his record breaking 100, scored a win for the junior Knights in the 50-yard freestyle also. His time was 25.3.

Pete McVean placed second for the Las Lomas squad in both the 75-yd. individual medley and the 100-yd. breaststroke; Dick Hamlin, Miramonte, was third in the latter event; and Bill Madden took third place in the 50-yd. backstroke event for the Knights' Bee team.

Pete Wolfe earned a fourth in the 100-yd. breaststroke and a fifth in the diving to give Pleasant Hill their points. Wolfe's 1:07.7 in the breaststroke broke his own school record.

Knight 2-Hitter Handcuffs Rams

Las Lomas' Knights, who refuse to give up easily in a baseball game, scored a 4-0 upset over Pleasant Hill at the Rams' home diamond Friday in a game that was rained out Thursday.

Knight pitcher Joe Sibley threw a two-hitter at the Rams, striking out 12 men in the process.

The Rams, who have now lost three straight, were represented on the mound by their ace right-hander, Mike Mayne, who was charged with his first loss of the season as he gave up a run in the third and was shelled by three Knight counters in the fourth.

The winning run was scored when Las Lomas' lef fielder, Roger Cowell, singled to score Sibley from second. Sibley had reached first on a fielder's choice and second on a sacrifice bunt from short stop Bob Morris.

The insurance runs in the top of the fourth started when catcher Dick Dodge singled with one out. Hopkins slapped an infield grounder and both runners were safe when the ball was booted at second base on the attempted double play.

Sibley then hit to short and Bill Dutton miscued, Dodge scoring on the error and Hopkins going to third.

With Bob Morris at the plate, Hopkins broke for home on the first pitch. Morris got his wood on the ball and Hopkins was in with a score. Mayne fielded the ball and overthrew first trying to nail Morris. Sibley promptly rounded third and scored the Knights' third run of the inning.

Mike Cereda replaced Mayne on the mound for the Rams and fanned the next two Knights to put out the fire.

The rest of the game was scoreless.

Statistically, Sibley's two hit performance with 12 strikeouts and six walks was the best of the day. Both the Ram hits were infield blows.

Mayne went 3-1/3 innings and gave up four runs, three hits, four free passes and struck out one.

Cereda pitched 3-2/3 frames and struck out seven, walked only one and allowed only one Knight hit.

Wolf and Dons Win DVAL Net Tourney Play

Eleven schools were represented in the Diablo Valley Athletic League Tennis Tournament held Monday at Las Lomas courts. The tourney winners, Chuck Benson of San Ramon High in the singles and the Acalanes doubles team of Len Saputo and Bob Steuben, will represent the DVAL Saturday at Berkeley in the North Coast tournament.

Besides San Ramon and Acalanes, net men from Alhambra, John Swett, Albany, Antioch, Mt. Diablo, Pittsburg, Las Lomas, Pleasant Hill and Pacifica competed in the tourney.

Benson stroked out an easy 6-2, 6-0 match win over Don Funk of Acalanes in the singles finals.

In the doubles match for the title Saputo and Steuben had little trouble in downing Jim Cunnison and John Cavanaugh from Pleasant Hill by set scores of 6-2, 6-2.

Competing teams were only allowed one entry in each of the two divisions in the tourney.

Apologies Due Young Pitcher

We goofed.

In describing Miramonte's 10-1 loss to DeAnza High of Richmond in a recent baseball game, we charged Bruce Hancock with the loss as the Matador pitcher.

Actually, Bruce pitched only the last two innings of the contest(?) and did not allow a run to be scored against him.

The Matador pitcher who let in all the DeAnza runs was Frank Feldman, who pitched the first five innings of the game.

Junior Golf Tourney Set

Plans for the 1957 Contra Costa Jaycee Junior Golf Championship are currently under way according to Leo Ortiz, chairman. The tourney, sponsored by the Martinez Junior Chamber of Commerce, will be held at the Contra Costa Golf Course near Concord on June 17.

Contra Costa Junior Golfers will be competing for a $100 scholarship, plus a chance to qualify for the state Junior Chamber finals and the 12th Annual International Jaycees Junior Golf tournament.

Boys who have not reached their 18th birthday as of August 15 are eligible to compete in the Junior Chamber of Commerce Golf program.

Entry application for the Contra Costa tournament — an 18-hole medal play event — may be made through any high school or junior college golf coach, golf course, or by writing directly to the Martinez Junior Chamber of Commerce, P.O. Box 869, Martinez. Deadline for entries is June 5.

Orinda Golfers Dominate Tourney; McNevin and Brunk Win Team Title

Twenty-two golfers wearing the colors of the Orinda Country Club journeyed to Pebble Beach on May 9 for the fifth annual Monterey Peninsula Country Club Invitational tournament and walked off the links Saturday with most of the prizes from a field of 280 golfers.

When the totals were in Frank Brunk Sr. and William McNevin wound up on top of the field in the two-man team event with a standing of 29 up.

Right behind their clubmates with 28 up was the team of John Stoffel and Keith Johnson.

SOMEHOW or other, a team from Fresno sneaked into the standings at 27 up, but the local swingers were represented in a three-way tie for the next position at 26 up by Dr. Ed Maloney and George Luer.

Behind these were the teams of Don Doten and Bob Hoyte, 23 up; Dick Ghent and James McCone, 22 up; and G. A. Somers and William Parker, 21 up.

In the individual standings, McNevin tied for second at 17 up, two strokes behind the winner, and Stoffel tied for third at 13 up.

THE WINNER of the individual championship went to Claire Goodwin, of Claremont Country Club. Goodwin is a frequent guest at the Orinda course, so it wasn't as if our boys had lost to a stranger.

Needless to say, the Orinda golfers walked off with the aggregate team prize in the 54-hole tourney.

The McNevin and Brunk team victory is long overdue.

The two men have played together as a team in this tournament ever since its inception in 1952. At that time they finished dead last, two down to par.

By last year's tourney they were 10 up on par. This left them still out of the money, but the tournament committee presented them with a special trophy award as "the most improved" team over the years.

BRUNK AND McNevin promptly justified the committee's action at the first opportunity, last weekend, by picking up all the marbles and the big trophy.

In accomplishing their impressive win, McNevin and Brunk only dropped four holes to par out of the 54 played. The full meaning of this kind of golf reaches you when you learn that Brunk has a 10 stroke handicap and McNevin a 13.

On the second round of play in the tourney Honest John Stoffel posted a 69 without benefit of handicap. This round followed a practice one of 81, allowing him nine strokes . . . which he obviously didn't need.

Anaclerio to Leave Post At End of School Year

By ERWIN MATTSON

News is out that coach Carl Anaclerio of Mt. Diablo won't be back next year after steering the Diablo Red Devils to their first uncontested title in 32 years. They ied the Acalanes Dons in his first year at the helm last season.

An astute student of the diamond game, he brought his club through in the close ones over the season, winning two extra-inning games and several in the final innings.

AN UNCONFIRMED RUMOR has it that George Davis of Las Lomas is headed for a junior college job down South.

Congratulations are in order to the Acalanes Dons and the Pittsburg Pirates for copping the County track titles.

The Dons came through with their best of the year to nab the varsity crown, their first in five years, although they are up there every year. Balance and come through performance did it.

Coach Charles Eaton has been at it for 26 years as far as coaching is concerned, but was far from cool and collected a week before the meet . . . let alone the day of the affair.

He confesses to the jitters and the thrill was just as great as the day he won his first title, which proves that a good man never runs down.

PITTSBURG copped the Bee meet by a wide margin and will no doubt be strong in the varsity division next year where they were runners-up this season.

Acalanes won the county tennis title in tournament play as far as the doubles go, while San Ramon captured the singles title.

Coach Ed Leach and his Las Lomas Bee swimmers did themselves proud when they took the North Coast Bee title in the meet held last week at Santa Clara. Next year Las Lomas will be a power in the varsity division, as they have built well and have depth.

The Acalanes Dons were defending North Coast varsity swim champions and just fell short of doing it again when they lost out to Campbell High and Menlo-Atherton, 34-33-32.

It was evidently a strain on coach Keith Woodall as he has been in bed since the event with a 104 degree fever.

TWO TEAMS that deserve a great deal of credit are the Miramonte Bee track team that made a fine showing in their division by winding up in third, just missing second when Antioch edged them in the final relay event.

Dixon Farmer in taking three events was the only triple crown winner in the stadium, setting a new record and tying one in the process.

Knights End Triumphant '57 Season

The Knights of Las Lomas ended a successful swimming season this year by defeating San Ramon High School in a dual meet on May 9.

Las Lomas took almost all the first places in both "A" and "B" classes.

Winners in "A" class were Herm Roland, Joe O'Malley, Mike Joyce, Manfred Weiler, Frank Fribley, Tim Biggs and Herb Foster. Both the medley relay teams and the freestyle relay teams of Las Lomas were winners.

The Knights, coached by Ed Leach and Dave Sweetman topped off the season with the winning of the North Coast Section meet in "B" class.

Lafayette Team Enters Mayhem Meet for Autos

A four-car team organized by Tom Anderson will carry the Lafayette banner tomorrow night in the auto destruction derby at Contra Costa Speedway, Director Frank Blado said today.

Cars for the motor mayhem were provided by a Lafayette auto agency, Butler-Conti.

The Lafayette team will compete against other cities with $600 prize money at stake. The first of five periods of competition will start at 8:15 p.m. with one auto from each team getting into the action. After the fourth period is completed all remaining cars will tangle in the "grand finale."

The winning team will receive $300 with $200 going to second place and $100 to the third place entry.

Individual trophies will be awarded to the last five surviving drivers, while a trophy will be awarded to the first pilot who flips.

Third Flight — first, T. R. Lubking, 64 net; second, Frank Colburn, 65 net; third, M. W. Giboney, 66 net.

Spartans Downed By Antioch, 3-0

Pacifica's Spartans outhit the Panthers from Antioch in their game Tuesday at Concord City Park diamond but lost the ball game, 3-0, when their pitcher, Larry Kent, walked 10 Panthers.

Kent's wildness permitted Antioch runners to get into scoring position on two occasions, although he struck out five Panthers and only allowed three hits.

For the Panthers, Dan McKimmy pitched a four-hitter, striking out seven Spartans and issuing no free passes.

Antioch played errorless ball, and the Pacifica nine was charged with two miscues.

Question Response Favors Civil Rights, Ike Policy

Results of questionaire mailed by Congressman John Baldwin to "every family of registered voters in the Sixth Congressional District" show overwhelming support for passage of a civil rights bill guaranteeing every American the right to vote.

Better than two to one support was also recorded in favor of the Eisenhower doctrine in the Middle East.

Voter sentiment on these and six other issues was tabulated recently for Baldwin by the International Business Machines Corporation. Baldwin termed the response the "largest I have ever seen."

OVER 89 PER CENT of the voters in the district preferred "high interest rates with seasonable stability in prices" to lower rates and higher prices.

On civil rights question, 86.4 per cent of the questionnaire respondents favored legislation which would make "intimidation or any other effort to prevent a citizen from legitimately voting in federal elections" a federal offense. Only 8.6 per cent were opposed.

The precentage favoring the Middle East doctrine was 63.6, while 56.6 favored a boost in Veterans Administration home loan interest to five per cent.

A BILL WHICH would prevent a non-veteran with more than 15 years service from being ousted from a government job by a veteran with less service was favored by 73.8 per cent of voters, including a majority of veterans.

Liberalization of the McCarran-Walter Act to provide transfer of immigration quotas received a 47.4 favorable vote to 41.7 opposed. Opposition was expressed to extension of the Refugee Relief Act. Forty one per cent approved an extension of the measure; 48.5 opposed it.

County Schools Have Role in Big Conference

Contra Costa County schools will play a major role in the June 8 conference on "Career Opportunities in the Building Trades." It will serve as a pilot project for a national meeting on recruitment of youths into the building trades, to be held this summer in Washington, D. C.

Charles Ferrell, consultant in industrial arts and vocational education in Contra Costa County is assisting with arrangements for the day-long conference at Acalanes High School, Lafayette.

County Superintendent B. O. Wilson will speak on "The Schools' Part in the Program," and Lloyd P. Darley, senior counselor at Richmond High School, will discuss "The Respansibility of the Counselor."

Another speaker will represent both the public schools and labor. Thomas Ryan is a member of the Contra Costa County Board of Education and is business manager of Local 302, Richmond, International Brotherhood of Electrical Workers.

He will participate in the afternoon panel discussion on "Opportunities in Specific Building Trades Crafts," to be moderated by Morris E. Skinner, training consultant, Buerau of Apprenticeship, United States Department of Labor.

From the State Department of Education will come Wesley P. Smith, director of vocational education, to speak on "The Need for Vocational Guidance in Our Schools." The State Department of Industrial Relations and State Department of Employment will also be represented.

Frederick J. Kracke, executive vice president of the General Contractors Association of Contra Costa County, will be chairman opening the conference at a.m. and closing it with an address at 3 p.m. on "The Contra Costa Junior College Careers Program."

Ferrell said that school groups urged to attend the conference include district administrators and building principals, counselors and other guidance workers and shop teachers.

The meeting is open to the public.

Christian Science

Humanity's need of spiritual growth and progress will be brought out at Christian Science services this Sunday.

Christian Science churches in this area are located at 22 Orinda Highway, Orinda, and 1347 Locust Street, Walnut Creek. The Christian Science Society of Pleasant Hill meets at the Congregational Church in Gregory Lane.

Keynoting the Lesson-Sermon entitled "Mortals and Immortals" is the Golden Text from I Corinthians (15:53): "This corruptible must put on incorruption, and this mortal must put on immortality."

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (265:5): "Mortals must gravitate Godward, their affections and aims grow spiritual, — they must near the broader interpretations of being, and gain some proper sense of the infinite,—in order that sin and mortality may be put off."

Scriptural selections to be read include the following from Psalms (89:15): "Blessed is the people that know the joyful sound: they shall walk, O Lord, in the light of they countenance."

Democrats from Contra Costa County are getting set for a fund-raising benefit to be held May 25. Preparing for the event are left to right, Gene Hastings, Pat Silva and Dave Nortin, general chairman.

Miss Westbrook Tells of Year As County Queen

Barbara Westbrook of Concord, 18-year-old Miss Contra Costa and the county's first entry in the Miss California contest, this week told prospective entrants in the 1957 Contra Costa County beauty pageant that she has "had a most interesting experience in my reign as queen and I have found vast profit in the contacts I have made."

Queen Barbara, who will be the county's first entrant in the Miss California contest due to a franchise grant to the Contra Costa County Development Association, said "I would not trade the experience I have gained for anything else that has occurred in my life."

Barbara, like those who will follow her, will now have opened to her competition in the Miss California contest and also in the Miss America contest. The Miss California winner is awarded a $500 scholarship and a trip to Hawaii and automatically becomes an entrant in the Miss America contest.

Explorers to Bivouac at Parks Air Base

More than 1000 Bay Area Explorer Scouts between the ages of 14 and 17 will take part in the annual Bay Area Explorer Bivouac at Park Air Force Base, starting next Friday.

The Bivouac is being sponsored jointly by the Alameda, Mt. Diablo, Marin, Oakland, Piedmont, San Francisco, Silverado Area (Vallejo), Stanford Area, Santa Clare (San Jose), and San Mateo Area Scout Councils.

Chairman of the Bay Area Explorer Bivouac is George Baker, and Stan V. Patrick is executive vice chairman and secretary, both of the San Francisco Scout Council.

Facilities of the Air Base are made available through an invitation extended by Col. D. W. Titus, USAF, Commander of Parks Air Force Base, who will deliver the welcoming address at the 3-day meeting.

Tower Dedicated By ECC Vets Club

A memorial bell tower has been dedicated by the Veterans Club of East Contra Costa Junior College to ECC students who have served with the armed forces.

The club, representative of 300 students on campus, has been raising funds for the past three years to erect the tower after a brass locomotive bell was donated to the school by faculty members.

The tower is supported by two 23 foot long steel beams.

"You'd never guess...
I once had ants in my plants,

...but no more. I quite easily changed all that with new Bandini Fertilizer with 'Insecticide-Added.' Spotty brown lawns...spindly, faded flowers...all those tell-tale signs of soil pests simply disappeared when Bandini with 'Insecticide-Added' was applied. A wonderful product...makes one job out of two! *Feeds* all the lovely growing things, and—at the same time—*protects* against garden damage by killing ants, earwigs, cutworms and most common soil pests. Saves so much time and effort. The place looks exquisite now all the year 'round! Well fed...and free from all those crawly things! Lawns utterly emerald, and flower beds...well! You really should use Bandini's new Fertilizer with 'Insecticide-Added,' you know, and *now* is the very best time! By the way...Harry just adores it!

Bandini Fertilizers are found at better nurseries and garden supply dealers.

Bandini is the word for Fertilizer

League Needs Two Bowlers for Loop

With opening night bowling scheduled for next Tuesday at the Monument Bowl, the Women's Night Owl League is still in need of two regular women bowlers to complete the league roster.

The summer bowling league is a handicap league, so a high amount of skill is not necessary, according to Mrs. Sally Kilgore, league president.

Anyone interested in signing up to bowl or in obtaining additional information has been asked to call Mrs. Kilgore at YE 4-9714.

Housewives' League Ends Big Season

The Tuesday morning Housewives Bowling League at the Monument Bowl has completed 36 weeks of bowling and held a trophy luncheon at the Monument Bowl May 10.

The officers for the year have been Evelyn Goodfrey, president; "Sammie" Fehr, secretary, and Oletta Corbett, treasurer.

The two winning teams for the series are the "Noi-Z-Kats" in first place, winning 97½ games and losing 46½; the "Gutter Queens" in second place, winning 80½ and losing 63½.

Members of the "Noi-Z-Kats" are Jan Overby, Helen Knott, Helen Sibley and "Sammie" Fehr.

Members of the "Gutter Queens" are Nita Conners, Rose Marie Loeb, Peg Spencer and June Cantua.

Daisy Laymace received a trophy for high series and high game. Irene Dampf received a trophy for the most improved bowler.

The three who received trophies and money in the sweepstakes playoffs were first place, Olive Mahr; second place, Evelyn Godfrey, third place, Fran Bickell.

Doyle Honored By Secondary School Leaders

Assemblyman Donald Doyle was recently awarded an honorary membership in the California Association of Secondary School Administrators in "recognition of his interest in education in general and his outstanding contributions to the welfare of secondary education in the State of California," it was announced.

The presentation was made at Las Lomas High School, Walnut Creek, by Roger Schultze, president of the local District 4 of the Administrators Association.

Other officials present were William McGowan, executive secretary of the State Principals' Association, and Leland Russell, principal of Las Lomas High School.

Schulte said, "Mr. Doyle, present chairman of the Assembly Education Committee, has been one of education's best and most substantial supporters in the State Legislature since his election in 1952.

"He has authored many bills of great importance. During the current session he has successfully introduced bills remedying certain problems involving state textbooks and others.

"One of the most important education bills introduced this year is the 'Doyle Bill' to establish a commission to study the total financial picture concerning support of education.

"Another bill of historical importance is his 'AD 1239' which for the first time in the history of California, authorizes a high school district to participate in a program of accreditation," he added.

Spot Legislation For Right-of-Way

Spot legislation necessary to authorize a multi-million dollar revolving fund to purchase rights-of-way has been suggested to Contra Costa County state legislators.

The Board of Supervisors made the request of State Senator George Miller Jr. and Assemblymen Donald Doyle and S. C. Masterson following a report by Public Works Director Victor Sauer.

SAUER POINTED out that the county is presently allowed to obligate future income only up to one year. The proposed revolving fund would probably require a bond election with the money to be paid back at a future date when the roads are actually constructed.

According to the public works department, substantial savings would accrue to the county by purchasing rights-of-way before land prices increase as the path of a future highway becomes heavily settled.

The State of California has a similar program.

Where's All the Money?

Many people have been confused by the variety of loan agencies that can become involved when one attempts to finance or refinance a home. Hoping to help clear up this matter a little, I've compiled a list of the sources of mortgage loan money that are available to the people in this county.

BANKS — They, for the most part, lend savings deposits on real estate — currently have conventional loans available — also FHA on limited terms.

SAVINGS AND LOAN ASSOCIATIONS — They also lend savings dollars placed with them — conventional financing only is their current program.

LIFE INSURANCE COMPANIES — Somewhere in the neighborhood of 40 per cent of their assets are invested in real estate — primarily interested in conventional loans in better districts — most insurance companies lending in Contra Costa County operate through correspondents or mortgage brokers.

CORRESPONDENTS (sometimes referred to as mortgage banks) — the functions of this type of organization are generally not understood by the public. These companies may be called by such names as Granite Mortgage Company (the use of mortgage company does not necessarily mean that the company is a correspondent — other types of real estate financing groups also use it — conversely some correspondents don't use it at all). These companies make loans for other lending institutions, e.g., Granite Mortgage makes a loan to Mr. Brown and then sells this loan to the Night Life Insurance Company of Nevada — later collecting the payments on this mortgage from Mr. Brown.

As far as Brown is concerned he has received his money from the Granite Mortgage Company — however, the actual dollars involved in this transaction came from the Night Life Insurance Company. These types of organizations currently are primarily interested in conventional loans and are placing these loans directly or through mortgage brokers.

MORTGAGE BROKERS — These individuals or organizations are licensed by the State of California as real estate brokers — they operate as middlemen in mortgage loan transactions. Then generally work with all types of lenders and assist the borrower in solving his particular loan needs. In most cases they do not charge the borrower for their services in that they are acting as an agent for a lending institution. At times, however, they charge fees to the borrower for services rendered as might an attorney or an accountant.

STATE DEPARTMENT OF VETERANS AFFAIRS — This is a direct loan agency of the State for California Veterans Loans (closest office in Oakland).

PRIVATE LENDERS — A large amount of mortgage money comes from private investors who are either placing their money through mortgage brokers or directly. This type of money most generally goes into secondary financing.

There are several other sources of mortgage funds yet to mention . . . Cemetery Endowment Funds, University Endowment Funds, Welfare and Pension Funds, Credit Unions, and Trust Departments of banks. These groups make very few loans and are not a factor in the market in this area.

RATE HIKE PROBABLE — Dick Hurley (manager, Berkeley Savings and Loan Association — Walnut Creek) feel that local savings and loan associations will increase their rates on savings accounts to 4 per cent in July — (this is another indication that the recent increase in loan rates is a trend that cannot be expected to reverse itself).

JOHN LOOP (Realtor — Orinda) — is about to introduce a new highly restricted residential development in Orinda — KALYLE HILLS! It's part of the Gardiner Estate (Kathryn and Lyle —KALYLE) which contains some of the most priceless antiques (including a marble fireplace from one of the palaces in Versailles) in Contra Costa County.

SHERMAN HATHAWAY (with HARRY HUBBINS, Realtor — Walnut Creek) checked last 150 homes sold through Multiple Listing — 32 were 2-bedroom! If your friends have been telling you no one will buy your 2-bedroom home make these statistics give you confidence!

ENGLISHMAN visiting New York for first time . . . studied Empire State Building for a few moments . . . turned to his friends and commented: "Rather think they must have designed that one to create the illusion of height."

Therapy Center Adds Facilities, Staff Members

The opening of audiological facilities and the addition of two staff members in the speech and hearing department of the Mt. Diablo Therapy Center has been announced by Samuel Bradbard, board president.

The new audiological service includes puretone audiometry, hearing aid evaluations and recruitment studies. Prior to audiometric testing, an ear, nose and throat examination is recommended.

According to Bradbard, the addition of the new service now makes more comprehensive speech evaluations possible. Speech therapy is offered at the Center for problems involving aphasia, cleft palate, stuttering, hard of hearing, laryngectomy, voice delayed speech, cerebral palsy and functional articulation problems.

A psychologist is also available for psychological testing when indicated by the patient's physician for speech and hearing cases.

Mrs. Ethel Mussen, Ph.D., has joined the Center's staff as audiologist. Dr. Mussen, a native of California, received her B.A. degree in speech correction from UCLA in 1951.

In 1952 she completed studies at Ohio State University for her Master degree in hearing testing and in 1954 for her Ph.D. She has been on the staff of Columbus State School for Retarded and is presently speech and hearing consultant at Herrick Memorial Hospital in Berkeley.

She is also associated with the Audiology and Speech Clinic at the University of California Medical School.

The new audiologist is a member of the Speech Association of America, American Speech and Hearing Association, American Hearing Society, and the California Speech Therapy Association. She lives with her husband, Paul, and one-year-old daughter in Berkeley.

Mrs. Joan Hanley has joined Miss Nada Miller in the speech therapy department of the Center.

Mrs. Hanley has attended Stanford University and Montana State College, and was graduated from the University of Washington. She has worked at the Seattle Children's Orthopedic Hospital in the Cleft Palate Clinic and the Ear, Nose and Thoart Clinic. She was born in Butte, Montana, and presently lives in Pleasant Hill with her husband, Donald, and two small sons.

Rev. Winkley Tells of County History, Events

Members of the Walnut Creek Farm Bureau recently saw a program about early Contra Costa County history.

Rev. John W. Winkley, Walnut Creek, a director in the Contra Costa County Historical Society, told about the first explorations in the county.

He described some of the outstanding historic spots, famous adobies and early-day homes, and scenes in Walnut Creek in the late 80's.

The meeting was held at the Women's Club on Lincoln Avenue.

BAD CONDITIONS

Bad driving conditions prevailed in less than 15 per cent of the fatal highway accidents in the U.S. in 1956.

Dinner Dance Plans are Made

Preparations are in full progress for the first annual dinner dance sponsored by the Men's Club of the Contra Costa Jewish Community Center, to be held May 25 at the Center.

Men's Club President Sy Sherman of Walnut Creek announced that all proceeds will be donated to the Center's building fund.

Heading various committees for the dinner dance, the Center's biggest money raising effort of the year, are Lew Rapport, chairman; Joe Katzberg, finance; Dave Spellman, raffle; Merv Silberman and Harry Kasden, bar; Art Scharlach and Harold Bloom, catering; Macq Spellman, publicity; Lew Rapport and Maury Bakon, souvenir journal; Irv Weisberg, tickets; Harry Kasden and Herb Martin, dance; and Milt Winter, clean up.

Adults Still Need Anti-Polio Shots, Goettsch Warns

Almost 50,000 anti-polio shots have been administered at public health clinics throughout the county since the middle of February is aws announced this week by Dr. Elvira Goettsch, assistant county health officer.

This is half of the anti-polio vaccine allotted to the county as a part of California's campaign to wipe out polio. Despite a shortage of vaccine in many areas the Health Department in Contra Costa County has been able to maintain its polio clinic schedule and has not turned people away because of lack of vaccine.

ALTHOUGH THOUSANDS of children and adults have been inoculated, an analysis of the age groups vaccinated shows that a large portion of adults, particularly those in the 20-25 year group have either forgotten or just neglected to get their shots.

"Tragically many of these people are breadwinners and if the paralytic polio strikes, heavy economic burdens will be added to the physical hardship caused by crippling" Dr. Goettsch said.

"These young adults are very often targets for polio" Dr. Goettsch continued "and the disease is no longer limited to childhood."

EVERYONE 40 YEARS of age and under is urged to get anti-polio shots now either from their own private physician or at a nearby clinic. The public health polio clinics will discontinue after July first.

Those who have not been inoculated should get their first shot now and the second four to six weeks later.

The Pleasant Hill Health Department office at 3241 North Main Street, Pleasant Hill, will be open Saturdays from 9 a.m. to noon and Thursdays from 7 p.m. to 9 p.m. to administer the antilpolio shots.

IN CONCORD, shots will be administered next Tuesday from 2 to 5:30 p.m. at the First Christian Church at 3039 Willow Pass Road.

Beauty Contest Final Date Is Extended

The Contra Costa County Development Association and the Contra Costa County Pageant Committee of 24 women today announced the final entry date in the annual Miss Contra Costa contest has been extended to June 7, and that the date of the Richmond elimination contest had been changed from June 2 to June 16.

"Pageant committee members felt that the original dates allowed too short a time to get to prospective entrants the story of the contest and decided on the new schedule," Mrs. Iona M. Booth, association manager, said today.

Pageant committee members, representing all parts of the county, have entry blanks or they can be obtained from the association offices, 838 Escobar Street, Martinez.

"The contest this year stresses talent and beauty," Mrs. Booth said. "The county winner will automatically become Contra Costa's entrant in the Miss California contest, which has a tie-in with the Miss America contest.

"Pageant committee members have arranged for the deans of women at all schools to be contacted, they have arranged newspaper publicity and also card displays to attract candidates. We are seeking Contra Costa's top girl in the hope that we can have a Miss California winner and a candidate in the Miss America contest."

Teachers Group Benefit Concert Will Be May 25

Members of the Contra Costa Branch of the California Music Teachers Association are rehearsing for the benefit concert to be held at the Stanley School in Lafayette Saturday, May 25, at 8 p.m.

The proceeds from these concerts is for the scholarship fund which was established in May last year.

The first scholarship award will be presented during the concert.

Mrs. Evangeline Honnold, violinist, has been a member of the University of California Symphony, the Oakland Symphony and the WPA Symphony. She has studied with the Grillers String Quartet and is now a pupil of Detlev Olshausen of the San Francisco Symphony. Just recently Mrs. Honnold was made concert master for the newly formed Doctors' Symphony of Oakland.

Mrs. Lenore Ludholm received her B.A. in music from the College of the Pacific in Stockton, studied with Harold Logan of Berkeley. Mrs. Lundholm is now teaching piano in her studio in Lafayette.

Circus Opening Tomorrow For Nine Day Run

That the circus lives on as a cherished medium of entertainment in America will be proved May 18-26 when the 17th annual Oakland appearance of Polack Bros. Circus is presented as a benefit for the Cerbral Palsy building Fund. Performances will be given in the Oakland Auditorium Arena at 2:15 and 8:15 both Saturdays, at 1 and 4 both Sundays, at 8:15 Monday and Tuesday, and at 3 and 8:15 Wednesday, Thursday and Friday. There will be no Sunday night shows.

Throngs of school children will be entertained at two special vertised to the public and at the morning performances not advertised to the public and at the regular school-day matinees.

Acts new to America are prominent among the performers of world-wide origin appearing in this year's new edition of the circus.

New among the trained-animal features are the Hawthorn Wild Animal Fantasy with its leopards, white wolves and zebra, the Bertram Mills Chimpanzees from Great Britain and the Paramount Bears. Back with new tricks are the Besalou Baby Elephants starring Baby Opal and Kip the poodle.

Aerial thrills are provided by Josephine Berosini of Solo high-wire fame, the Rose Gold Trio, Barbette's Cloud Swing Girls and Aerialovelies and the Flying Palacious, introduced by the Spanish rhythm of "Extravaganza Espanol."

All-new acrobatic features include the Fredonias, the Lacy Troupe, the Four Kelroys, Barbette's Balancerinas and, with a definite accent on comedy, the Original Gutis and the Three Lorandos. There is a new contingent of clowns headed by Gene Randow.

TRY OTHER FILAMENT

The odds are that both filaments of a headlight bulb have not burned out at the same time. Rather than drive with only one light, switch to the beam that will light both headlights.

Circus Proceeds To Aid Palsied

Tickets for the Polack Brothers Cerebral Palsy Circus, showing in Oakland tomorrow through May 26, are now on sale, according to Van M. Williams, 1957 campaign chairman for United Cerebral Palsy of East Contra Costa County.

All tickets sold in East Contra Costa County will provide funds which will remain within the area for the benefit of cerebral palsy victims of all ages, Williams said.

"The Cerebral Palsy Circus will be the chief source of funds to finance the UCPA summer projects, our most vital and expensive program," he added.

This includes camperships for CP children, the Shadelands School summer program, and financial aid for the Handicapped Boy Scout Trop and Cub Pack.

"These summer projects provide recreation for cerebral palsied children who might otherwise have to be confined at home during the summer months. This type of activity is not only therapeutic, but makes the handicapped child a part of a social group and teaches him to work and play with others."

Williams urged residents of the east county area to purchase Circus tickets at the Walnut Creek Chamber of Commerce, or at the office of Ewert & Kendrick, public accountants, 1638 Main Street.

Cake Decorating Will Be Displayed

Acalanes Adult Center announces a special open house at Las Lomas High School for people interested in cake decorating. Mrs. Constance Burlingame's advanced classes will demonstrate techniques and have an exhibit of their work on display.

The exhibits will be held in Room 210, Las Lomas High School, on Monday and Wednesday, from 7:30 to 10 p.m.

Names will be taken of people interested in joining the beginning classes which will be offered in September.
